## The Vine Hotel

is the venue for March's Monthly Medal Dinner

## Juniors

The Friday Junior Clinic is underway again for 2017. Please encourage the younger members of your family and friends to come out to Jubilee GC to enjoy the fresh air, beautiful surroundings and tuition in the wonderful game of golf.

## Summer Pennant

Unfortunately our Men's Summer Pennant Team lost the final at Cobram on Sunday 26<sup>th</sup> February, 3/2 with Sam Mclean & Allen Basten last on course with match at 2 all; we lost on the 3rd extra hole. There was no glory but it was still a great effort. Well done.

The team wishes to express a big thankyou to Brock Fallons from Fallons Bus Line for donating the bus.

## Greens Report

### Pathways Project~Working Bee

We are planning to hold a working bee to concrete the pathway edges on the 7th hole. Formwork will be installed prior & all we need to do is mix & pour the concrete into the formwork. If we could get 6-8 people there that would be fantastic. A BBQ lunch will be provided.

### Green Speeds

With the Annual Tournament in March the greens will be cut and rolled each day leading up to and including the Saturday and Sunday. As the temperature decreases and less irrigation is required, the greens will firm up and a more consistent speed will be achieved.

### The Sole Cutter

We have been having problems with quality of cut; the blade has been cleaned & sharpened with little improvement. So a new blade has been ordered,. Hopefully this will fix issue.

### Renovation of the Greens

The date booked for the renovation of the greens is Monday the 3<sup>rd</sup> April,

28<sup>th</sup> January Nigel Cooper (9<sup>th</sup>)  
28<sup>th</sup> January Aaron Kungl (15<sup>th</sup>)  
4<sup>th</sup> February Peter Glidden (15<sup>th</sup>)

## Welcome to New Members

The following new member was approved at a recent Board meeting.

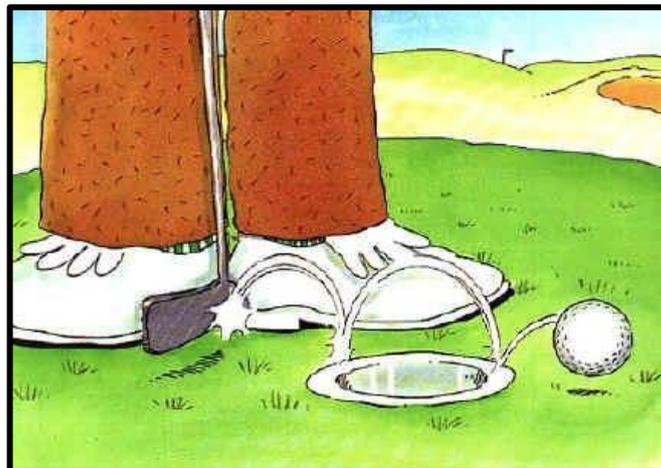

Junior (Student): Hugh Tharratt  
**Please make our new member welcome**

## Next Meeting

of the board will be held on Tuesday, the 21<sup>st</sup> of March at 6.30 pm and any items you want addressed at that meeting should be sent in writing to the secretary.

## Golf Quip

The MAIN problem with golf is that the slow people are always in front of you and the fast people always end up behind you.

**There is no shot so simple that  
it can't be messed up.**

### Condition your body for summer activity

Ah Summer! Long days, warm evenings. Plenty of extra time for outdoor activities, whether it be gardening, riding, walking, swimming, water-skiing, tennis, you name it. Physical activity is essential for good health but it's important that your body is conditioned for it.

All too often we see people who, having made the commitment to do a regular physical activity program, suffer an injury because they weren't conditioned to do the particular activity at that time.

The usual story is of a bit of a niggle that developed into something more serious. A visit to a physiotherapist at North East Life to get that niggle sorted out will save a lot of grief, money and most importantly, enable you to fulfill your activity goals, keeping you healthier for longer.

The physiotherapists at North East Life are expert at assessing injuries, *especially those niggles* and design a program specific for your needs, to prevent the niggle from progressing to a debilitating injury.

North East Life has fully equipped clinical pilates studios, access to hydrotherapy facilities and importantly the staff trained to ensure that you will get the most benefit in a safe, supportive environment.

So get the most out of your body this summer by having those niggles expertly assessed and managed by one of the North East Life physiotherapists at one of our three convenient locations in Benalla, Yarrawonga or Wangaratta.

"Remember I said I wanted you to stop golfing so you could spend more time at home? Well if you don't mind, I'd like you to go back to golfing."

"No, playing golf isn't a sin. However, lying about your score, swearing, playing for money, wishing the other players will play bad, and not returning that 7-iron you found is."
