Golf Quip

You look at Faldo and you have to resist the temptation to look at the back for the knobs.

Next Meeting

of the board will be held on Tuesday, the 16th of June at 7.00 pm and any items you want addressed at that meeting should be sent in writing to the secretary.

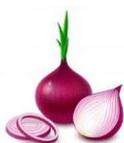

The view from above

Taking Social Distancing on Sunday 17th May during the COVID19 pandemic to new heights.

But it is worth it for the view.

Another ingredient

Life Members Coping with ISO Golf

Life Members Barry and Anne McLeod can practise chipping in their backyard.

My new (very temporary) golf course ready for action. It was built at great expense. I am just trying to keep my swing. - Mike Ballie

And a Member

I too have been practicing my golf on our 2 ha block where I mowed and established an 8 hole course. Mind you, each hole is only very short (range from 10 metres to 100) but that is perfect for practicing my pitching. With recent rains I have had to mow several times so as not to lose too many golf balls. I am sure looking forward to playing at Jubilee again. - John VanRiet

And a Junior too.

Isaac Steadman, from the Junior Development Program practised his putting skills during the lockdown.
