

Jubilee Jottings

A newsletter of the Jubilee Golf Club

June 2020

Sponsors: are the key to our club's success, look around at their signs as you play, and support them. When you do use one of our sponsors remember to let them know that you are a Jubilee Golf Club member.

PLEASE REPAIR PITCH MARKS AND DIVOTS, THANKYOU.

Bar Report

Please be aware that if you wish to have a drink after golf on Saturday the COVID19 regulations stipulate that you must also have food (not a simple snack). To make this an easy process you need to place an order with Chelsea preferably before you start or at the halfway mark as you pass the club house.

Takeaway alcohol is allowed.

Bravo Jubilee Golfers

Thank you to the members who have supported our grandson, Hamish Lewis in the transition from junior to golfer. He needed some adult clubs to play Saturday Golf. Grandpa (Bernie Grealy) asked a few Vets if they had some old clubs he could use. Neville Hogan has loaned him some irons, Ray Hyland had some woods for him to try out, Grandpa had some vouchers which were redeemed for a new putter and Ashley Neave filled in with some missing irons. Hamish is now playing Saturday golf. When asking around this is a common story as members support our juniors to acquire clubs while in the transition phase before purchasing their own clubs in a couple of years' time.

Thank you for your generosity. Robyn Grealy

Saturday Food

Please keep pre-ordering your pies, pasties, sausage rolls and salad rolls on Saturdays as this procedure prevents wastage and nobody misses out.

Greens Report

New Local Rule:

Relief can now be taken from exposed tree roots through the green.

A Drop Zone has been drawn behind the 13th water hazard for those unfortunate times when your ball ends up in the water hazard.

ALSO

Please repair ball marks and divots

To repair a fresh ball mark or divot takes only five (5) seconds.

A freshly repaired ball mark will heal completely in twenty four (24) hours.

A fresh ball mark left unrepaired for one hour takes fifteen (15) days before the ugly scar has satisfactorily healed.

Check Page 4 for the best repair techniques and the reasons why.

Golf Quip

Eldrick 'Tiger' Woods

His father gave him his nickname when he was a boy, after a Vietnamese soldier whom Woods Sr. befriended named Nguyen 'Tiger' Phong.

One-Liners and more

How do you feel now that you are back playing golf now that some of the COVID19 restrictions have been lifted?

Since the end of the lockdown
I have adopted the Andrews game plan.
'Beating about the Bush'

- Alex Jones

When a golfer is on the tee and 'he' exert himself for a magnificent drive it has been known he can disguise a 'his' fart with a sneeze.
Now, after the COVID19 lockdown we are aware of a golfer disguising a sneeze with a fart.

- Contributed by Di Murphy

Glad to be back playing golf, I'd forgotten how much I like swearing.

I've missed the excitement, anticipation, frustration, disappointment and anger that chasing a little white ball for six kilometres can bring. How good is golf!!

Thought I'd lost it during the COVID - 19 golf lockdown, but no, I can still throw a sand wedge 60 metres.

They say to play good golf you must be able to laugh at your misfortune. Not necessary at Jubilee, your playing partners will happily do that for you!

- Charl de Mink

It is great to get back to golf.
- Melody Adams

Welcome to New Members

The following were approved as new members.

Full Members:	Katie Easton
Phillip Densten	Chris Simsen
Full member (Pens):	Stephen Monson
Country Member:	Brendan Lancaster
Full Member <25yrs	
Nick Oates	Kade Evans
Thomas Brown	Jarryd Wallace
Junior (Student):	
Harrison Smart	Ryley Downing
Will Ashton	Michael Banister

Please make our new members welcome

Next Meeting

of the board will be held on Tuesday, the 21st of July at 7.00 pm and any items you want addressed at that meeting should be sent in writing to the secretary.

Kay O'Shea received her Hole in One Trophy.

The 4th ingredient

30 th June	Peter Glidden (9 th)
30 th June	Aaron Kungl (16 th)
6 th June	Gary Dinsdale (16 th)
13 th June	Dave O'Connor (15 th)

This cartoon has been used before but it very relevant at present. Please read page 4.

Please repair ball marks and divots.

Welcome Back to Jubilee

Saturday June 27th, 2020. 6:30 pm.

\$30 per head

Roast beef & pork, roast vegetables and salads

Delicious desserts

Bookings Essential as food needs to be ordered.
Please add your name to the list in the clubhouse or contact
Brian Kerlin 0418 435 926

Numbers limited to 48 due to Covid restrictions.

Booking close Wednesday June 24th

How To Repair a Ball Mark

A few extra seconds is all it takes to keep the putting greens looking and playing their best.

CHOOSE WISELY

A ball mark repair tool is recommended, but other pointed devices can be used.

PUSH DON'T PRY

Starting from the back and sides, gently push & stretch the turf to the center of the mark.

WORK AROUND

Work around the ball mark until it's filled in. Avoid lifting & twisting the turf harshly.

FINAL TOUCH

Use your putter to lightly tap down the mark. Fix other marks in addition to yours.

How to Replace a Divot

If the divot is intact and there is soil attached, simply replace it in the hole and firmly press the divot into the ground with your foot. Pressing down is important because this establishes good contact between turf roots and soil, which helps the divot heal.

If there are significant gaps between the divot and the surrounding turf, fill them with sand and smooth it with your foot.

How to Fill a Divot

If a divot does not have any soil attached, or if it has shattered into small pieces, it cannot be replaced and expected to heal properly. Filling the divot with sand is the best option in these situations. Add sand until it is slightly below the height of the adjacent turf, and then smooth it out with your foot. It is worth taking a few extra seconds to get the level just right.

Too little sand will create poor playability. Too much sand creates playability issues and can damage mowing equipment.

Once on the course, take pride in your divot repair. Who knows, the divot you repair today could give you a better lie tomorrow
