### Community Raffle:

The Rotary Club of Appin Park is set to launch the 2020 Wangaratta Community Raffle in the near future. Jubilee Golf Club has enjoyed a strong and successful connection with this fundraising event, with our members having won the first prize (a car) 3 times in recent years and, on another occasion, sold the winning ticket. Last year our club made just under \$5000 from this raffle.

Unfortunately, our Director of Fundraising, Leanne Carmody, has had to resign from the Board of Management so we are looking for 2-3 members to assist with this event.

Last year we successfully introduced a new system for the distribution and collection of raffle books, where we had 20 members responsible for a set of 10 books each. This made the organization of this event so much easier.

If you would like to help out, please contact Brian Kerlin 0418 435 926; brianfkerlin@hotmail.com

### Golf Quip

Hell, it ain't like losing a leg.

- Billy Joe Patton,  
after losing the Masters

1954: Fan favourite, and amateur, Billy Joe Patton, a 31-year-old lumber salesman from North Carolina, held the lead on the back 9 on Sunday at Augusta National before the magic faded into a Snead-Hogan duel.

## The Golf Ball you cannot lose

Two Golfers were approaching the first tee. The first guy goes into his golf bag to get a ball and says to his friend - "Hey, why don't you try this ball."

He draws a green golf ball out of his bag

"Use this one - You can't lose it!

His friend replies, "What do you mean you can't lose it?!!"

The first man replies, "I'm serious, you can't lose it.

If you hit it into the woods, it makes a beeping sound, if you hit it into the water it produces bubbles, and if you hit it on the fairway, smoke comes up in order for you to find it."

Obviously, his friend doesn't believe him, but he shows him all the possibilities until he is convinced.

The friend says, "Wow! That's incredible! Where did you get that ball?"

The man replies, "I found it.

Number 400 is:

**Damien O'Brien is ready to take on Jubilee GC.**

# Greens Report

## Greens

Green renovations due around September, will confirm date when available.

## In the car park

A tap has been installed in the top of the garden near the carpark for washing of carts, this eliminates the muddy area near the toilet entrances. This means that cart washing will be using water from the dam and not the tank at the clubhouse.

## Concerns

1 Greens staff are concerned that some players are still hitting up on workers on the course creating a dangerous situation.

2 Some cart drivers are continuing to drive too close to greens. Please impress on drivers in your group you need be at least 10 metres from cut surface or no closer than the second cut.

3 Some players are walking across greens with buggies. This could result in tracking weeds, seed and possibly chemicals that have been sprayed onto the greens.

4 Some players with attachments to their putters are picking balls up from the green if they wipe a hole: this is putting imprints into the green due to the pressure applied, usually close to the hole. To eliminate this, the ball should be knocked away towards the edge before picking it up.

Thank you for looking after the condition of the course

28<sup>th</sup> June Michael Blackshaw (17<sup>th</sup>)  
18<sup>th</sup> July Aaron Kungl (4<sup>th</sup>)

Michael was playing with Wayne Hibberson. Wayne had earlier said 'I don't know how you can play with that pink ball. I can never see it'. But on the 17<sup>th</sup> he saw it go into the hole.

Aaron's comments were:  
'I thought it was going to be close'  
and  
'I got one before my brother and he cannot beat that!'
