## Promises

### are made to be broken

On Wednesday 2<sup>nd</sup> September one of our members put his drive on the 13<sup>th</sup> into the dam. He chose a wedge to play this delicate shot and walked casually to the dropping zone turning his back on his buggy. Next thing, bag, buggy and all have rolled into the dam. The member almost followed the bag into the water. The whole lot was full of water.

I (an unnamed member we see working in the Proshop often) promised Steve McNaughton, 'I wouldn't tell anyone about it'.

### PIN PLACEMENT:

Some members have been querying the placement of pins so close to the edges of the greens. This is being done as there was no competition play at the time due to COVID and was designed to protect the more usable areas of our surfaces. This will change now competition is back.

### CORING THE GREENS

– THURSDAY OCTOBER 1<sup>st</sup>,

#### No golf on this day.

We will be hiring a brush for \$375 that will save about half the time to sweep sand into greens, it only requires 1 person to operate, also, it eliminates around 12 hours of our mower towing the old ones that need brushes replaced regularly due to wear and tear.

### PATHWAYS:

17<sup>th</sup> Path to be done shortly, Warren Symes will use his equipment as this path needs shaping before gravel can be placed.

13<sup>th</sup> path has been compacted down to stop slippage.

PLEASE REMEMBER that ground staff have right of way at all times: No exceptions

### MAJOR DIVOT DAMAGE

Regularly it can be seen that large areas of fairways are damaged by multiple divots: obviously due to individuals having multiple practice swings and/or hitting multiple balls.

Therefore all players are reminded that when playing socially you are limited to a maximum of 2 balls and please, fill in all your divots.

The practice fairway is for practice.

## Friday Competition:

With so many golfers flocking to the course at the moment we've decided to include Friday as a competition day.

This will be an 18-hole competition and will be open to both men and women.

We intend to trial this throughout October and, if it proves successful, it may become a permanent fixture.

## Next Meeting

of the board will be held on Tuesday, the 20<sup>th</sup> of October at 7.00 pm and any items you want addressed at that meeting should be sent in writing to the secretary.

Liane Graham: 19<sup>th</sup> September on the 8<sup>th</sup>

As Liane was selecting the club to use on the 8th she told Robyn Grealy, 'I usually use the hybrid, but I always go over the back. I think I will use my 4 iron' It was a lovely shot and the rest is history. In 2005 Robin Graham achieved his hole in one on the 4th with Spencer Lamb as the witness. 15 years later Liane has hers. Well done Liane.

## Community Grant

Rural city recently announced that JGC were successful with their application to the Community Grants Program to the value of \$3500. This money will be assigned to support the refurbishment of the clubhouse kitchen, which will include new cupboards, bench tops and flooring. Many thanks go to Bill O'Brien and Fraser Jeffrey who have already repainted the ceiling and walls.

## Golf Quip

I don't care about that.

The Green Coat is enough for anybody.

- Billy Casper,

on the money he received for winning the Masters in 1970

## Irish Golf Championships

Mick and Pat are standing on the 18th tee at their Irish Country Club. They are the final twosome in the Irish County Club Championship and are tied for the lead.

The 18th hole is a beautiful par four with a deep valley, descending down to a dogleg right. Both Mick and Pat hit long, straight tee shots which disappear down into the valley. A short time later, the fore caddie appears at the top of the hill and announces that both balls are within 6 inches of each other but there's a problem.

Both of the golf balls are Titleist # 4s.

Mick and Pat look at each other and realize that they had not informed each other as to what kind of ball they were playing, nor its number.

They quickly descend into the valley and, sure enough, their two Titleist golf balls are right next to each at the bottom of the valley in the middle of the fairway.

Patrick looks at Mick and says, "We had better get a ruling from a tournament official to straighten this out. This is the Irish County Club Championships and we don't want to be disqualified for making a mistake and hitting the wrong ball. After all, we are tied for the lead."

Soon after, a rules official appears and examines the two # 4 Titleist golf balls.

He then looks up at Mick and Pat and says, "Which one of you is playing the orange ball?"

## The Truck was Stuck

I asked Mal for a comment  
I could put with this photo. . .

He said  
**'NOTHING'**  
'It wasn't the driver.'  
'That truck has got a mind of its' own'

## Community Raffle

Thank you to all those members who are selling and / or buying the Community Raffle tickets. If you haven't received a book of tickets yet and would like one please contact one of the Board members.

Thanks Chris

Oh dear!!!

Here's a photo of Angus not getting off the first tee. His next 4 or so shots were played from the exact same spot and he wiped the first hole without getting off the tee box.
