Greens Report

Around the Course

As Alan White no longer will be able to fill the water tanks on the 8th & 14th Tees, is there a member who can help with a fire fighting tank and pump to collect water from the sale yards standpipe and keep these tanks full, especially with summer almost here.

Thanks to Alan for having done this job for many years.

Fairways

Spraying has been done on 15th and 11th fairways in readiness for sprigging in the coming weeks. The whole width of the 11th fairway will be sprigged due to the sprinkler configuration being in sections rather than left and right banks. The left side only of the 15th will also be done.

Two sections of the right side of the 6th fairway have not taken as well after last years' sprigging, extra plugs will be put in and we will increase the fertilizer.

As of Monday 30th November the vets will restart with an 8.00 am login for an 8.30am hit off. Please be aware that at this stage masks need to be worn and social distancing be maintained to facilitate this event. This will be a welcome return to some form of normality.

It wasn't Lynn's Day

Golf Quip

I see things written about the golf swing that I can't believe will work except by accident.

~ Harvey Penick

Harvey Morrison Penick (October 23, 1904 – April 2, 1995) was an American professional golfer and coach, who coached many Hall of Fame players. Late in life, he became a best-selling writer ('Little Red Book' among others). He was inducted into the World Golf Hall of Fame in 2002, seven years after his death.
