## VETS ARE BACK.

After almost 8 months of the Monday Veterans competition being put on hold because of Covid 19 restrictions, Monday 30<sup>th</sup> November 2020 finally saw a return to what we hope will remain a Covid normal competition. There have been a couple of small changes to allow for the rules such as no filling out cards and handing them in. When arriving you now give your name to the steward in the office who will write your name on the sheet and take your money. The Vets captain (Keith) will then organize playing groups and tees.

Monday saw 32 players including a visitor from Leongatha and another from Melbourne who joined in with us. Keith welcomed all players back to our modified routine and play got underway at about 8:30am with 8 groups of 3 and 2 groups of 4. Play ran smoothly with the last group taking just on 4 hours which is always the aim.

As groups finished they gave their scores (front 9, back 9 and total) to Andy who recorded them on the sheet and then they took seats in the clubhouse which has been badly missed. Our president Brian opened the bar for us and most sat around the tables talking whilst still practicing current social distancing rules. 28 vets remained for presentations. After presentations a few members headed off to lunch at one of our sponsors restaurants. I believe this is going to be a new feature going forward. WE would like to thank the Board for arranging for the vets to return again, also Alan Sands for doing

the starters box, Andy Walker for taking scores as players came in, Brian Kerlin who explained the ground poisoning strategy going forward and Keith Moorhead and Rob Chuck who again organized the morning and handed out the prizes.

On a very sad note our delegate to the NEDVGA for the last 14 years Ron Smith announced he is stepping down as our delegate and we thank him very much for all the hard work he has put in during that time. He will definitely be badly missed but we will call on him to assist at times of our competitions.

Please note that if you are over 50 and wish to play with the Vets on a Monday just be at the clubhouse about 8:00am and you can join in the fun. There is always plenty of banter and sometimes some good golf as well but always a friendly atmosphere.

### **is taking on Cancer Council's The Longest Day...**

... the ultimate golfing challenge to complete four rounds of golf in one day. That's 72 holes!  
I'll be testing my skill, strength and stamina to raise funds for Cancer Council.

Because Australia has one of the highest rates of skin cancer in the world, with two in three Australians diagnosed with skin cancer by the age of 70 and I want to help change this.  
Please sponsor me today, to make every hole count!  
Thank you for your generous donation. Together, let's tee off for a cancer free future.

Check out Jubilee Golf Club's Facebook page to see how you can sponsor Kyle in this massive effort.

## **View from Kwat Kwat Lookout**

A walk from Wenham's Camp in the Warby-Ovens National Park to Kwat Kwat Lookout overlooking Jubilee Golf Club was organised to raise funds to support Leeanne Carmody and Frances Duffy's participation in Cancer Council Fund Raiser - the Long Day (36 holes) Frances and Leeanne completed their Long Day on December 8th.

Heather Wickham, Lyn Male, Liane Graham, Frances Duffy, Ros White, Joy Hester and Leeanne Carmody and their photographer Joan Kitson enjoy a break at the lookout.

The Warby-Ovens National Parks was covered by a blanket of yellow Shiny Everlasting wild flowers.

Relax? How can anybody relax and play golf?  
You have to grip the club don't you?
