Jubilee Juniors Program.

The Eagles and Birdie junior development program is presently run by Ashley and his band of helpers in Di Murphy, John Johnson, Andy Walker, Alan Sands, Martin Hill and Bill O'Brien and parents of the young golfers.

In the past month we have averaged 20 players each week with the winners in the eagles division being Cody Johnson Week 1, Isaac Steadman Week.2 and again in week 3.

For the Birdies the winner Week1 was Jack Buckley, Will Clark Week 2, and Jack Crotty Week 3.

The program consists of each group playing 3 holes, chipping and putting practice, then to the driving range, in all taking approximately 2 hours. Ashley provides his time to develop and assist our young golfers as well as donating prizes each week for the children.

Isaac Steadman receives his prize from Ashley.

Jack Crotty receives his award.

The Junior Golf Program is held on Thursdays from 4.00 pm until dark during the winter and from 5.00 pm until 7.00 pm during daylight saving from October until March each year (with the exception of school holidays). The cost per session is \$5.00 and is proudly sponsored by McDonald's Wangaratta.

Jubilee and North East Vets.

250 veteran golfers attacked the Bright Country Golf club on Monday 22nd of February of which 26 were from Jubilee. The results were not encouraging for most. But Ian Dinsdale managed to be runner up in A Grade with 35 points. Steve McNaughton won nearest the pin on the 11th hole and Jackie O'Brien was nearest on the 16th. Leo McKoy luckily won a bottle of wine in the raffle.

The day was a credit to the Bright golf club as the course was in great condition and the day ran smoothly. It was enjoyed by all, except for the scores as only 2 people out of 250 broke their handicap. It was also terrific to see 49 ladies attend this event. The next NE event is at Benalla on 22nd March so it is back to normal Vets for Jubilee members.

'Look at that'

All the rest of the group just laughed at where Martin Hill's tee shot on the 4th finished. Yes! He took a drop and also scored a point.

Introducing MiClub at Jubilee Golf Club

MiClub is an Australian based company specialising in web site design and Internet based golf booking, golf competition and tournament management systems and is being used by 180 golf clubs throughout Australia.

We are introducing this computerised system at Jubilee to streamline our competitions so that the recording of scores and the publication of results becomes a much more efficient process. It will also bring us into line with most other golf clubs in the district.

If everything goes to plan, we aim to commence using the new automated system next Monday.

You will still get your cards from the Pro Shop, but they will be printed with your name and golf details already on it. At the completion of your game, you will feed your card into the computer and your score will be recorded.

Once everyone becomes familiar with these procedures, we will phase in the online booking system. **Bookings will still be able to be made by phoning the Pro Shop for those who prefer to do so.**

We will most likely encounter some teething problems using this new system, so we ask for your patience and understanding until we get used to it.

Ash Neave and Gordon Paterson from the Pro Shop, along with Fraser Jeffery, Di Murphy, Joy Hester & myself, underwent 3 hours of training for the MiClub System and all will be more than happy to assist you during the familiarisation period.

I wish to congratulate Fraser Jeffery on the marvellous job he has done in getting this program up and running at Jubilee.

We also would like to welcome on board one of our new major sponsors, **Value Auto Group**, who have so generously sponsored the new scorecards that are to be used with this system.
