**Please do not put scratch marks on Greens to mark NTP,
Please do not have multiple practice swing on fairways leaving multiple divots,
Please do not use your driver/woods in the practice fairway. It is only 150 metres long.
These are ongoing problems and need to be addressed.**

Winners are Grinners.

Jubilee Veterans.

NEDVGA event this month was held at Wangaratta and we had 21 of our vets attend on the day. Some success was had with Andy Walker taking out "A" grade with 40 points 5 ahead of the runner up. Steve Smith managed to have some success in "C" grade taking out 3rd, and W.J. O'Brien and Alex Jones managed nearest the pins on 2 of the 6 par 3's. Although a lot of us struggled with the course, the new layout is interesting. The new greens were very hard but given time they should all improve. Back at home our numbers over the past 2 weeks have been slowly getting back to around 30. It would be good to them back to our pre Covid period of up to 40. Just a reminder to all Jubilee members that if you are over 50 the Vets meet on the first 3 Mondays each month at 8:00am for an 8:30am shotgun start with drinks afterwards until presentations are finished, then some kick on for lunch at a place usually announced during presentations. Everyone is more than welcome and we try to keep it as a friendly social day.

Some balls end up in some very strange places on our course. This was well under a tree just near the 9th tee.

Next Meeting

of the board will be held on Tuesday, the 18th of May at 7.00 pm and any items you want addressed at that meeting should be sent in writing to the secretary.

Golf Quip

I do not advocate unorthodox golf, but I make provision for it.

- Homer Keeley

In May 2005 *Sports Illustrated* magazine released the results of asking a cross section of *Golf Magazine's* Top 100 Teachers to vote on the most influential golf swing coaches ever, and came up with a consensus top 10. Homer Kelley ranked No.6 on that list.

Greens Report

Ongoing Concerns

- It seems that scratch marks are still appearing on greens by players not using markers.
- Several players are still using drivers on the practice fairway and landing balls close to the cottage. (Signage is being arranged to advise practice fairway users of their responsibilities)
- Hitting several practice balls on fairways creating several divots in the one area.

These three issues have been mentioned in previous issues of Jubilee Jottings. If you see players causing this damage please politely remind them of this simple request.

Kevan's Dilemma

This is the result of Kevan O'Shea's second shot on the 17th. I presume he took a drop.

Juniors

More Help Needed

More help is needed with the Juniors between 4pm and 6pm on a Thursday. If you can help, please contact Bill O'Brien on 0401 063 743 ASAP.

'I now understand, Your Honour, that it is a very serious offense to scratch the green to mark the position of the NTP marker.

In future, I promise to use a flat marker'.

Schnitzel Night

A great night was had by all at our Schnitzel Night last Saturday night.

Fraser Jeffrey & Carolyn Haigh, along with several willing helpers, served a delicious main course, with the broccoli salad being one of the highlights.

Many thanks go to Jackie O'Brien, Joy Hester, Melody Adams, Brian Luxford, Jenny Kerlin and Di Murphy for the wide range of tasty desserts that were on offer.

Several members took turns behind the bar and this was very much appreciated.

We had lucky door prizes, a challenging quiz and Mal White's new spinning wheel in action.

A big shout out to Morrisons of Glenrowan and the Laneway Bistro for providing prizes for the night.

The very lucky winners of the Trivia competition.

The very honest Runners-up in the Trivia competition.
Very excitedly displaying their prizes.

Nature Study @ Jubilee

The natives are friendly at Jubilee Golf Club.

They meet you in the car park.

They love the view from Jubilee GC.

They watch over you as you search for a your misdirected tee shot off the 5th tee.

And make sure you:

Look up as you walk from the 4th green to the mens' 5th tee to find one of our koalas.

They come to the social functions.

They remind us to fill our divots with sand.
