The golf course is for playing golf not for practice.

Service Victoria QR Codes ~ Compulsory ~

From the 28th of May, all golf clubs and facilities **must** utilise the State Government QR code check in service provided by Service Victoria for all attendees at your facility. For the avoidance of doubt, this includes staff, members, and visitors, for the purpose of attending work, playing golf, **practising** or **using other facilities such as the clubhouse**, and everyone must check in on each visit.

For those who don't own a mobile phone a sheet will be provided for you to list your full name and contact details.

Also featuring Tahli Gibson
Members will have priority until Monday June 7th.
Bookings will then be opened up to the wider community.

New Cart Shed

Jubilee has purchased a new cart shed, measuring 14 x 6 metres. Many thanks go to Chris O'Keeffe for organising such a good deal for the club. Possible sites for the construction of this new shed are indicated on a map emailed to all members. It is also available in the clubhouse. If you would like to provide any feedback on these locations, please contact one of the Board members ASAP, as the shed is due to arrive this week.

Greens Report

The 2nd and 13th greens have a lot of couch coming through, the only way to eliminate this is to poison and re-sow. This will be done in 3 sections: back third first then left third, then the right third; this will make it possible to continue using the green during the process.

Putting Green

The existing practice putting green will be levelled so that it is flat rather than with all the current undulations.

Concerns

It looks like someone is still using 14th or 16th fairways (around the 100 metre markers) as their own practice fairway. On Saturday there were lots of divots on the fairways and pug marks in the greens.

People are bringing their dogs out to run around while they have a hit. This is not OK.

Jubilee Veterans

Not a lot to report this month. The weather has remained mostly fine although some morning have been very cold. We know that because Ian has started wearing jeans and even Keith managed to get into long trousers on one day. Apparently the cut off temperature for long trousers is 18 degrees according to our captain so anything warmer than that and he will be in shorts.

Numbers continue to be around the thirty mark on most Mondays however we have about half a dozen new members that are joining in so hopefully numbers will start to increase again shortly although it is now also the time for the annual migration north to start.

Eight of our members attended the annual Intrazone Challenge as part of the North East District team of 36 players taking on the other two districts of Goulburn Valley and Dalhousie. Best score from our district was 34 so it was no wonder that the Goulburn Valley district took out the event by almost 100 points with North East second and Dalhousie third. The course was in good condition and apart from the scores a good time was had by all.

Just to remind all veterans that the first round of our annual challenge against Thurgoona Golf Club will be on Tuesday the 15th June at the Thurgoona course. All veterans from Jubilee are welcome to attend (you do not have to be a member of the NEDVGA) and a sheet with all the details will be up on the Vets board next Monday.

Good luck to the 21 players going to Yarrawonga on Monday 24th May. This is a new month for Yarrawonga who normally play in January so we will see how they go. The weather is looking good at this stage so we may be in for some good scores.

Congratulations to all the winners we had at Yarrawonga on Monday 24/5/21.

Ian Dinsdale, 4th in A grade. Att Kung, 1st in B grade, Michael Baillie, 2nd in B grade, Tom McAtee, 1st in C grade. Tom McAtee and Brian Carr were part of the winning men's team.

Whilst playing we witnessed Att Kung hit a fantastic shot of the 7th to within 2 foot of the pin only to lose the nearest the pin to a hole in one on the same hole. Bad luck Att as it was a great shot.

Next Meeting

of the board will be held on Tuesday, the 15th of June at 7.00 pm and any items you want addressed at that meeting should be sent in writing to the secretary.

'The Scrambler'

Whilst Paul Trinick and I (John Broz) battled our way around the course one day, we got to be singing an old Kenny Rogers song "The Scrambler"

The lyrics went something like this, but we need some help to finish them.

Verse 1

On a warm summer's evening
On the outskirts of the fairway
I met up with the scrambler
Where the rough was lush and deep

Verse 2

*
Now if you don't mind me sayin'
I can see you're out of birdies

Golf Quip

Golfers who carry ball retrievers
are gathers not hunters
Their dreams are no longer of conquest,
but only of salvage.

Parsons Bowl

On May 20th 60 players from the Bright GC, Commercial Albury GC, Corowa GC, Howlong GC, Mansfield GC, Wangaratta GC, Yackandandah GC and Jubilee GC competed for the honour of winning the Parsons Bowl. Nine teams of 3 or 4 players were vying for a coveted trophy.

Parsons Bowl winning team with Rob Parsons:
Jubilee No. 1 Team: Frances Duffy, Kay O'Shea, Judy Fogarty and Robyn Ottaway

Rob is the grandson of Mr & Mrs E.J. Parsons – Ted and Ellie. Ted Parsons was a long standing President of Jubilee Golf Club. He was the first person to receive life membership in the club in 1956. Golfers in the North East have been coming to Jubilee Golf Club since 1966 to contest the Parsons Bowl Challenge trophy.

The Grade winners:
Sharnee Effting (B Grade- Commercial Albury GC)
Ros White (A Grade – Jubilee GC) and
Wendy Goonan (C Grade - Jubilee GC)
