## Vale Brian Kerlin

It is hard to imagine a sadder time in the history of the Jubilee Golf Club. On the 16<sup>th</sup> of July our popular president, Brian Kerlin, lost his battle with cancer. His illness was both unexpected and short.

From the moment Brian joined the club it was evident that he was a member who contributed. From Thursday's "Dad's Army" to a position on the board he was always actively involved. On the board he led fundraising efforts, became vice-president, then president until the severity of his illness was known.

Brian handled the position of president in his usual thorough manner with care and common sense. Projects were seen through and planning was carefully considered.

Our club is so much better for his active involvement and for his wise leadership but much, much poorer for his passing.

Our heartfelt sympathy goes to his wife Jenny and his children Matthew, Lisa, Craig and Belinda and their families. They are grateful to so many of you who watched his funeral on the livestream.

We will miss him so much.

Andy Walker

### Another Tribute:

I first met Brian in 1975 when we both arrived to begin our teaching careers in Wangaratta.

It was the beginning of 46 years of a close friendship that grew stronger as we shared houses, family celebrations, professional careers, and sporting pursuits. Each of these have provided many significant moments in my life and treasured memories.

Football, cricket, and golf were the mainstays of our sporting journey together. Brian's sportsmanship, sense of fair play, encouragement to others and amusing banter made him such a delightful person to play with, especially on the golf course.

Brian wasn't only a player on the sporting arena, he was a leader. Not content to let others do all the hard organisational work to allow the sport to happen, Brian took on administrative rolls such as President, Secretary, Treasurer, Fund Raiser, partook in working bees and organised many social functions to build up club character. Football, cricket and golf clubs are all in better places due to Brian's input.

Rest in peace Brian, a most loyal friend to all!

Rob Lowe.

Have you notified Jubilee Golf Club of your Change of Address etc.

## Match Play Champion +

Dylan wasn't satisfied with becoming the NEDGA Men's District Champion for 2021 at Mansfield a few weeks ago. He is also now Jubilee GC's Match Play Champion. Here is his comment:  
"It was good to get one back on Greg considering he won by so many in the Club Championships and also gave me a flogging in the Match Play Final a couple of years ago."

## Greens Report

### Cart Use:

Carts are required to be 10 metre from the cut surface of greens

Keep carts off the damp areas please and use paths if there is one.

Correct footwear should be worn at all times on the course. Someone has been playing in heeled work boots and others, over summer, in bare feet; this could be dangerous if standing on sticks etc.

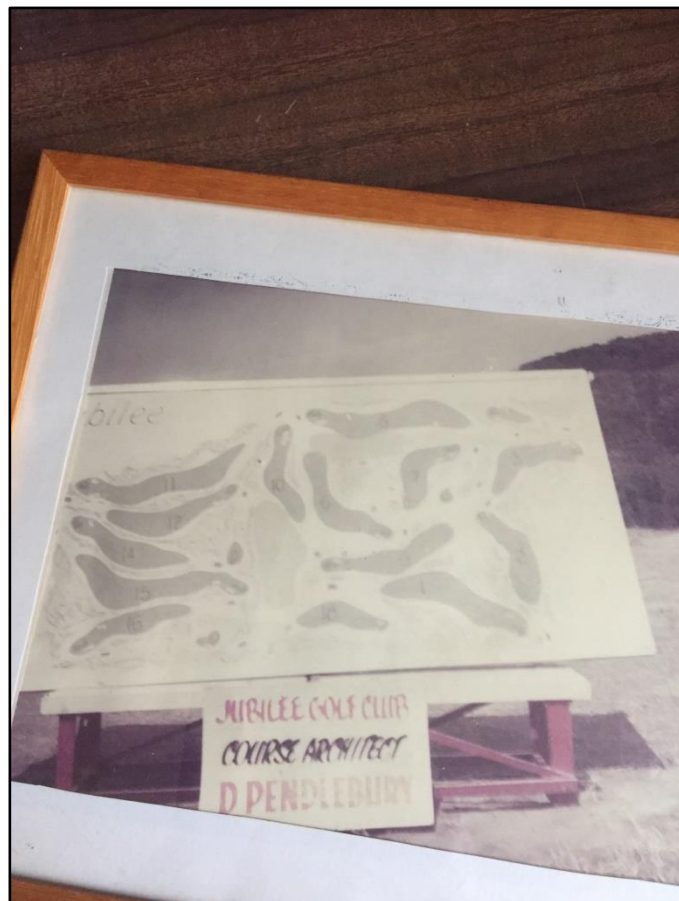

## Saturday's Food

Food requirements on Saturdays need to be booked on arrival to prevent unwanted wastage.  
(and member disappointment)

## New Cart Shed position

After careful consideration of all the pros and cons the JGC Board of Management has made the decision that the new Cart Shed will be constructed at Position A (near the water tank)

## Lost

Does anyone know the whereabouts of Dick Pendlebury's original plan of the Jubilee Golf Club course layout?

**31<sup>st</sup> July Leeanne Carmody (15<sup>th</sup>)**

4<sup>th</sup> August Eon Scott (9<sup>th</sup>)

4<sup>th</sup> August Glenn O'Connell (9<sup>th</sup>)

## Measure twice – Cut Once

Alex Gibbs is hard at work being extra careful as he works on the extension to the machinery shed. Alex said 'I don't want Russell coming home and saying it has to come down as it isn't good enough'. Great work Alex.

## Golf Quip

I used to play golf with a guy who cheated so badly that he once had a Hole in One and wrote down zero on his scorecard.
