REPAIRING of DIVOTS during the DRYER MONTHS

Adding sand is the only repair option during the dryer months.

In dry weather a replaced divot does not re-grow like when you replace the divot in the winter time.

Great effort in the Kitchen

The kitchen is looking fantastic. Thanks to a monster effort by (in no special order) Fraser Jeffrey, Steve McNaughton, Glenn Ryan, Di Murphy, Bill O'Brien, Carolyn Haigh, John Johnstone, Alan White, Greg Rigoni, the electricians, the plumbers and cabinet makers etc. etc.. Well done to all involved.

It was still a 'Hole in One' for Glenn O'Connell, Neville Hogan and Charl DeMink

Yes I did get a hole in one last Saturday the 2nd October, on the 4th hole. This is my first ever hole in one.

It was a bit bitter sweet as I was playing with my usual Saturday group which happens to include our club captain and we were putting in handicap cards for the round seeing as we cannot play competitions. I hit a nice 8 iron straight at the flag, it landed on the green then the ball disappeared, I didn't think much of it as everyone knows you can't see the ball usually on the 4th. Then Glenn Ryan and Julian Bau both said they thought they heard it hit the flag. 'It might be in. No way. It better not be, not today! And sure enough when we got to the green there was conformation, it was in.

The feeling was definitely mixed with Elation of my first hole in one and Devastation it's not going to officially count, as it may never happen again. Needless to say the boys had a good laugh at my expense for the rest of the round seeing as we aren't allowed to play comp due to COVID and that normally it would have been a comp day.

Well done Glenn.

Neville achieved his third hole in one on the 4th hole. Just like his previous two. He hit his usual safe, casual shot to the green and the playing group spent some time looking for Alex's shot out to the left. On getting close to the green there was Neville's ball sitting like a half moon wedged in the hole by the flag stick. And Alex's ball: never to be seen again. (Not by that group anyway)

Well done Neville.

Not an official Hole in One due to no Saturday comp but still worth a few units.

Well done Charl.

**To all Vet
golfers.**

It is on again, at last. Competition for Vet's golf will start again on Monday the 1st of November. You will need to be double vaxed against Covid 19 and show proof of vaccinations to Ashley on arrival at the golf club.

Assembly is at 8:00 AM with a shotgun start at 8:30 AM. All players are encouraged to attend presentations just before 1:00 PM, either in the clubrooms or on the veranda, IF there are too many to have safely inside.

We hope to see you all there on Monday.

Saturday Morning

A beautiful photo Willie took from the first tee on Saturday morning at about 8.35am. The rainbow was amazing!

Does this photo prove that the pot of gold is in the cart shed or the bunker on the 5th?

Golf Quip

For me, the worst part of playing golf, by far, has always been hitting the ball.
