REPAIRING of DIVOTS during the DRIER MONTHS

Adding sand is the only repair option during the dryer months.

In dry weather a replaced divot does not re-grow like when you replace the divot in the winter time.

~ Ron Smith ~
Life Member of JGC

I take no responsibility for the accuracy of the details of this article. This is how the story was told to me by his over excited playing partners and the group behind, often all speaking at the same time.~

The Editor

This is his story: from Saturday 6th November.
'Ron was the entertainment of the day'
'He spreads his golf around.' (Laughter)
'He was born in Wilby' (More laughter)
'He learned his golf on the Wilby Golf Course.'
'Ron was a victim of circumstances on the 15th.'
Ron had a good drive, but it hit a rock on the bridge and deflected backwards into the rough behind the men's tee. We found the ball.
'Ron got the axe out to chop some trees down. Unfortunately no-one had a chainsaw.'
Ten shots later, Ron got the ball out of the rough. When he was eventually on the fairway he played the rest of the hole brilliantly.
When asked his score, his answer was. . .
'I never did history at school. Probably 20!!!!'
The comp. couldn't cope. The machine blow up'. More laughter.
Ron is available for autographs at all times.
With 74 on the back nine he didn't win a countback.

Apology for Alex

In Jubilee Jottings last month a large group of people were thanked for the wonderful work done in the kitchen. However it would not have reached this stage without the super work of Alex Gibbs with the electricals. Sorry for the omission.

Great work Alex.

Greens Report

Sprigging:

Preparation has started for sprigging on the left side of the 6th and 15th fairways has been carried out. Hopefully the sprigging will happen before Christmas.

The plants lining the 1st tee:

The plants lining the first tee are precious, and have been put there for a purpose, to beautify the course. Please do not walk or drive carts over them!

Do not Scratch the Green:

Someone hasn't learnt yet that the expectation at Jubilee G C is to mark their ball or the Nearest the Pin position with a ball marker. Even the hole made by the N the P marker is obvious enough for anyone to see.

Thank you.

Silver Spoon State Final At Gardiners Run Golf Course

Earlier in the year, between a couple of the lockdowns the ladies played 4 nominated stroke rounds followed with the players with the highest score from each day playing off in a Jubilee Final. This gave Liane Graham the opportunity to play in the State Final at Gardiners Run Golf Course. Liane had 34 points, which is pretty good on a strange course. Here is her report

‘On Monday 22nd November I represented Jubilee Golf Club to play in the state finals of the Silver Spoon at Gardiners Run Golf Club in Lilydale. It was a lovely warm day and the two ladies I played with were great competitors, very friendly and good company. The course was challenging so many bunkers and water which I avoided most of them. I thoroughly enjoyed the experience and was happy with the way I played.’

4BBB Qualifier

Sunday, January 30th 2022.

OVERVIEW

The Vic Four-Ball Championship is open to all amateur golfers who have a valid Australian handicap.

Players can register as part of a men's, women's or mixed pair and compete in one (or multiple) of 21 qualifying rounds held across Victoria between January and March.

Winners at each venue will qualify for the 36-hole State Final at Moonah Links (Open Course) & Portsea Golf Club.

Prizes will be awarded at each qualifying venue for 1st, 2nd & 3rd in each section as well as NTPs.

COVID-19 VACCINATION POLICY

Please note the Victorian Government roadmap currently states all golfers must be double vaccinated to participate in all club competitions and social golf activities.

GA is supportive of providing a safe environment for competitors, supporters and staff and therefore has determined all competitors and caddies (as caddies are an extension of the player) aged 16 years and over, must be double vaccinated as part of their Condition of Entry into a Victorian GA event. As part of that Condition of Entry, all competitors and caddies will be required to produce proof of double Covid-19 vaccination at time of registration.

Note: where the host venue policy requires all attendees to be double vaccinated, irrespective of age, this will apply to the GA event for all participants over 12 years. Participants will be advised at the time of entry and in the event information if this is a requirement.

GA will continue to communicate relevant vaccination information to participants as it becomes available.

GA H'Cap Limit: 36.4 (men), 45.4 (women)

The Qualifying round at Jubilee Golf Club is on Sunday, January 30th 2022.

Entry Fee: \$100 per pair or \$70 per pair (host club members)

Inclusions: Light lunch, 18-holes of golf and a chance at \$1,500 worth of prizes

Start Time: 9:00am Shotgun start

Entries Open: 9am Wednesday 3 November 2021

Entries Close: 12pm Thursday 20 January 2022

Draws will be sent to players approximately one week prior

Community Raffle

To JGC members supporting the Wangaratta Community Raffle,

I wish to both thank and notify members that the JGC fund raising effort is proceeding well with about one third of the 300 books distributed already sold and returned to the club.

It is also a reminder to those members still holding books that D-day for returns to our club is 11th December 2021, and that the earlier we receive all the books the greater chance we have to identify and reassign any unsold books.

Please understand that JGC remains accountable for every book allocated to us, hence the need to return both sold and unsold books.

We thank you for your support and cooperation in this fund-raising effort as the club receives \$2 from every ticket sold.

Books and money can be returned to either the Pro shop or to Alan White, Bill O'Brien or Mal White.

Attention JGC Members with their RSA

We would like to run a roster to be able to supply food and drinks in the clubhouse on a Sunday. It would be best if members could work in pairs. If enough members respond we should not have to be on duty very often at all. The duration would probably be from 12pm to 2 or 3pm. We would like to start in January. Please contact John

Golf Quip

If I had my way, I'd never let the sand be raked. Instead, I'd run a herd of elephants through the bunkers every morning.

THE LONGEST DAY

The Longest Day is an endurance marathon designed to test your skill, strength, and stamina. The challenge is to successfully complete your chosen number of holes from dawn to dusk and raise funds for Cancer Council's research, prevention and support services.

Challenge yourself to:

The Long Day – 36 holes (2 rounds)

The Longer Day – 54 holes (3 rounds)

Or the Ultimate challenge: The Longest Day – 72 holes (4 rounds)

Think you have what it takes?

Register now and let's tee off for a cancer free future. Registration is free.

Jubilee Jesters

The team so far is Frances Duffy, Leeanne Carmody, Mike and Josie Fitzsimons. They are playing 36 holes and maybe even 54, on December 12th

If you want to join the team but the 12th doesn't suit you, then another day is fine.

To **join the team** or to **donate to the team**

Google: longestday.org.au

Click the [Find a Friend](#) box.

Type: [Jubilee Jesters](#) and search under [Teams](#).

You need to book each and every 18 holes on OneGolf.

Donate through the website if you want a receipt.
or

Donations can be made with any team member.

Car Park Enlargement

Bays have been drawn on the ground to indicate the required parking spaces for cars with trailer. Please park within the bays so that others can get around the area.

VETS and More

The Vets ventured to Myrtleford on the 22nd of November with 15 players competing. Alan White was second in B Grade with 37 points and not to be outdone Ros White was nearest the pin for the ladies on hole 16. The only other winner for Jubilee was Neville Hogan nearest the pin on the first hole.

Monday the 29th it was back to Jubilee and the Lefties versus Righties was conducted with 36 players and for the first time in seven years the right handers came out on top. Well done Righties!

On December the 13th, Jubilee is hosting an Ambrose day for the North East Vets so get your partners organised and your names down to compete in this event by Friday 3rd of December.

Juniors have resumed on Thursday evenings at 4.30 for a 5.00pm start. At the moment numbers are building up slowly towards the 20 players we had before Covid threw a spanner in the works.

A special thanks to Di Murphy and Andy Walker for giving up their time to assist and train the Juniors along with Ash.

Just a reminder to everyone that has raffle books outstanding, could they get them back to the club sold or unsold in the next 2 weeks please as that gives us a chance to get them all sold.
