## Jubilee Vets

Well another month has almost gone. The number of Vets turning up on Monday is still similar with around 30 per week. Captain Keith has done a spreadsheet and we have had 64 members that have attended at least one game so far this year. I know that everyone has busy schedules and their own personal reasons but it would be nice to see numbers climb to around 40+ each week. As previously mentioned we would like everyone to stay on after the game to have a drink and talk to the members they played with and others to keep the social atmosphere going.

A couple of weeks ago one member hooked his 2<sup>nd</sup> shot on 15 into the trees on the right hand side. We all knew roughly where it should have finished but for 2 minutes there was no sight of his ball when one searcher happened to look up and there was the ball lodged firmly in the fork of the tree approx. 2 1/2 meters off the ground. The photo attached shows how high the ball was in comparison to Alan's hand pointing.

For those NEDVGA members Benalla was held on 21<sup>st</sup> March 2022 with 19 members from Jubilee attending. They had 154 players attend so it turned out to be a busy schedule. Well done to Paul Hazell and his team who managed to get everyone away pretty much on time.

The course was in great condition with very soft greens that could be attacked if you could hit the ball high enough. However having said that, Jubilee only managed 3 places, and a very good nearest the

pin for Jacqui O'Brien on the 13<sup>th</sup>. Keith Moorhead managed 4<sup>th</sup> in A grade with 36 points, Peter Ford 4<sup>th</sup> in B grade with 35 and Brian Carr 4<sup>th</sup> in C grade with 38. As seen some very high scores just to get a minor place.

The next event is at Wangaratta on 11<sup>th</sup> April with entries closing on 1<sup>st</sup> April. There is not much time to get your entries so could you please do so by closing date with your money in an envelope in the normal place.

Hope you all hit the ball long and straight until next time.

## Juniors Report

Juniors have been practising well with numbers in the twenties and improvement by everyone. Recently an event was held at Wangaratta course where we had three players contest a 9 hole competition with Sam McIntosh and Jack Dean being equal second in the event with a score of 49 (better than I can do)

Also Trinity Mulder played and although not a placegetter did extremely well to score and gain her handicap for 9 hole competition.

Again I must thank Ashley, Andrew, Di, John and all the parents who help make the Juniors a fun night on Thursdays.

## Vic 4BBB Final

Earlier this year the Qualifying Rounds for the Vic Four-Ball Championships were played at 21 venues, including Jubilee GC on January 30th. The final was played over 36 holes: on Monday March 21st at Moonah Links and on Tuesday, March 22nd at Portsea Golf Club. Jubilee GC was represented by 8 players. They were: Fraser Jeffrey and John Parker, Glen Hunt and Paul Lawrence, and Danny Fogarty and Dean Cryer in the Men's Section and by Ric Harnwell and Ali Comensoli in the Mixed Section. Fraser and John were coming 4th after the first day but did not want to comment on the final day!!!!

## Seymour Bowl

On 31st March Jubilee GC was represented by Joy Hester, Liane Graham and Frances Duffy at Seymour GC's Phyllis Williams Bowl. The event was sponsored by Tahbilk Winery. We were very pleased and surprised to be the Runners Up behind one of the Seymour teams.

## Ange's Dilemma

Ange hit her tee shot on the 9th straight into the dreaded bushes on the left. Linda, Ange and Robyn G looked around, and even further down the left

side of the fairway, then as we walked back to our buggies Linda looked up and there it was up in the tree. Next challenge: 'What to do next'

### The answer:

As tricky a shot as it may be the player always has the option to play the ball as it lies.

The other options available, if the player has identified their ball, they are entitled to take unplayable relief under Rule 19, which for the one penalty stroke, allows the player three options.

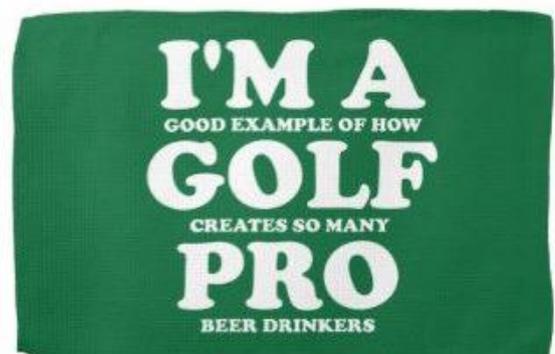

**Firstly** the player can take stroke and distance relief by going back to the spot where they last played and dropping a ball within one club length of that point, no nearer the hole, or if they are returning to the tee, they can play a ball from anywhere within the teeing area.

**Secondly** the player may take back on the line relief by dropping a ball in a relief area which is again, one club length no closer to the hole, at a point on the course which is on a direct line going straight back from the hole through the spot of the original ball.

**The final option** is to choose lateral relief. Usually this would involve dropping a ball within two club lengths of the spot where the original ball lay. However doing this when your ball is 7 or 20 feet off the ground in a tree might not be the easiest thing to do, so the Rules make an exemption for this situation.

When a player's ball lies above the ground, in a bush or a tree for example, the player can take lateral relief by using the point on the ground directly below their ball as their reference point. The player would then be entitled to drop the ball within two club-lengths of that point, no closer to the hole.

It is also worth remembering that when talking relief in this situation the Rules allow a player to substitute the ball, so there's no need to go climbing to retrieve the original.
