## Welcome to our New Greens Keeper: Matt Walker

Matt completed his Greens Keeping apprenticeship at Mansfield golf club 20 years ago. Since then, Matt has worked in the Turf industry with Strath Ayr, before moving on to manage large gardens for some years.

Matt returned to Greens Keeping last year and spent some time at Myrtleford Golf Club before moving to Team Leader Open Spaces for the Alpine Shire.

Matt has two young girls, Isla and Evie who are excited to be a part of the Jubilee community as is Matt,

## Cutting edge

A little old lady was walking down the street dragging two large plastic garbage bags behind her. One of the bags was ripped and every once in a while, \$20 would fall out on to the footpath.

Noticing this, a policeman stopped her, and said, "Ma'am, there are \$20 notes falling out of that bag."

"Oh, really? Darn it!" said the little old lady. "I'd better go back and see if I can find them. Thanks for telling me, officer."

"Well, now, not so fast," said the cop. "Where did you get all that money? You didn't steal it, did you?"

"Oh, no, no", said the old lady. "You see, my back garden is right next to a golf course.

A lot of golfers come and pee through a knot hole in my fence, right into my flower garden. It used to really tick me off. Kills the flowers, you know.

"Then I thought, 'Why not make the best of it?'"

"So, now, I stand behind the fence by the knot hole, real quiet, with my hedge clippers.

"Every time some guy sticks his thing through my fence, I surprise him, grab hold of it and say, 'OK mate! Give me \$20, or off it comes.'

"Well, that seems only fair," said the cop, laughing.

"OK. Good luck!"

"Oh, by the way, what's in the other bag?"

"Not everybody pays."

Melody has tried to make many contributions to Jubilee Jottings for a long time. At last there is one I can use.

Thanks Melody

## Golf Quip

Some of us like to play Tarzan.

We like to be creative and think we can do some things we really can't.

That is the fun of the game.
