Thanks from Erika

Dear Friends, I would like to thank the wonderful volunteers, especially Pauline & Allan Mercer for the table settings and flowers, Brian and Allan in the kitchen & bar, Mick Cordier for his music equipment, Bill & Jackie O'Brien for helping to serve food and everyone else who helped serve food & clean up. I would also like to thank everyone for sharing the celebration with me and helping to make this a memorable occasion. It was so much fun to see everyone dressed up! Thank you for all the beautiful gifts and cards too! I loved reading the heartfelt messages. It feels great to be part of the golf community! Thanks again, Erika

So you think it has been a cold winter for golf this year.

Another joke from the Adams family

How do you tell the difference between a boy ant and a girl ant?

Take a glass of water and put the ant in.

If it sinks it is a girl ant.

If it floats it is buoyant.

Great Progress on the Deck and the Cart Shed

For those of you who haven't seen Wayne Roberts post on the Jubilee GC Facebook site.

'So it was all hands on deck today. (Thursday 24th July) Great to see so many helpers at the club for the concrete pour of the stumps and footings for the new verandah/deck.

While we had the concrete truck on site there was a small path/ramp also poured at the back of the new cart shed. Great day for Jubilee GC.'

Thanks Wayne
