## Smokey turns 90

On Monday the 1st of August Greg (Smokey) Hogan turned 90 years young. A very nice chocolate mud cake was organised with a happy Birthday sign candle and a couple of other candles.

An enthusiastic rendition of Happy Birthday was sung together with the usual hip, hip hoorays.

Smokey enjoyed the special attention and hopefully he can keep playing Vet's golf for many years to come.

If you are over 50 years of age and would like to play golf with the Vets on Monday mornings please make the effort to come and join us. It is an 8:00AM assembly with an 8:30AM hit off. The usual format is a draw for partners, Stableford competition with a short presentation at 12:45 PM. After the presentations we go out for lunch at one of Jubilee Golf Club's sponsors. All Vets players are welcome to join in the fun.

Cheers.

## Jubilee Veterans

Jubilee Veterans hosted our annual North East District Veterans tournament on Monday 22<sup>nd</sup> August 2022.

What started out with 124 entries was severely whittled down to just 110 starters on the day.

Our condolences go to the Wangaratta Golf Club who lost one of their members and whose funeral was held on the day which resulted in a large number withdrawing. We understand the sadness of these events as we lost one of our close members earlier this year.

The event got away to a hectic start trying to organize cards and groups teeing off in the early time slots, but as always seems to happen they sorted themselves out and all got away on time.

The later groups were easier as we had a two hour window to organize printing the cards and sorting them into the groups and time slots. With several late cancellations, a couple of groups were rearranged and all were on the course before the allotted times.

The weather behaved itself for most of the day and only a few of the last groups out got a couple of showers but luckily everyone was in prior to it really pouring down.

Presentations were commenced just before 5:00pm with some good scores coming in and Jubilee being well represented but not hogging all the trophies.

I would like to apologize for the size of the salad rolls. A mistake was made whilst ordering them and they could not be changed. Next year we will arrange for volunteers from those that made "funny comments" regarding their size and they can organize the rolls for us.

Our normal Vets still occur every Monday at 8:00am for an 8:30 hit off. All members over the age of 50 are more than welcome to join us. Numbers have been down during the cold weather but hopefully will start to improve again now as it starts to warm up and our "migrating" players return from their annual pilgrimage north.

September 12<sup>th</sup> sees the return of our annual Thurgoona/Jubilee challenge at our home course. All existing members can participate and you do not have to be a NEDVGA member.
