In a practice round only 2 balls are allowed to be used.

Do not leave balls lying around the course. This only makes a lot more work for others.

Congratulations to the 2022 Medal of Medal winners

Thank you

All members of Jubilee Golf Club join with the Jubilee GC Board Members to thank Chris O'Keeffe (The Project Manager) and his willing and very skilled band of workers who toiled tirelessly to produce our fantastic outdoor area, 'The Deck', for us all to enjoy. You should all be very proud of the result.

Welcome Selen

The Bar Manager John Johnstone with Helen Jones who will be satisfying our food and liquid needs of a Saturday. Please make her welcome.

Dangerang Lookout Walk

Maureen, Chris, Joy, Judy, Vicki, Lianne & Liane balancing on the downhill slope. Frances, Josie & Lee are hanging on for dear life.

What was Frances saying?
Look past 3 areas of canola, past the house with the flat roof, then behind that hill, that is where I live.

Lucky Lotto:

Our first Lucky Lotto draw will take place tonight (1st October.) Welcome to all the new participants. Good luck everyone.

Frogs are a sign of a healthy environment

The frogs are also sick and tired of all the wet conditions. This one took refuge in Mary's cart while the course was closed.

Kerlin Cup

Jubilee recently celebrated the very first 'Kerlin Cup' named in honour of their past president Brian Kerlin, who passed away in July 2021.

A 9 hole Ambrose Scramble was followed by lunch and trivia.

The Ambrose winners with a sub 30 net score were Kerry Newton, Alan White and Fraser Jeffrey.

The winning trivia team led by the wise old heads of Geoff Davidson and Brian Luxford scored an impressive 66 correct answers out of 80. Matt Kerlin, Sean Ievenieks and Rob Lowe were other members of the winning team.

We are intending to lock in the second Sunday in September in future years.

Alan Sands & Andy Walker

This Statement was made by Rod after playing in the Kerlin Cup and watching the second player to putt on the 3rd hole being really exasperated by her putt being identical to that of the first player.

'A borrow is a borrow.

No matter how long you play this course it will always go the same way'

Captain Vs President's Day

The Winning President's Team: Linda Stone, Chris Boseley, Robyn Grealy, Liane Graham (President) Josie Fitzsimons, Robyn Ottaway, Bruna McDonald and Vicki Moorhead.

Liane Graham congratulates the President's Team best player, Bruna McDonald while Di Murphy congratulates Lyn Male who had the best score for the Captains Team.

The Joan Rosser Day

On August 30th the annual Joan Rosser day was held in misty rain. The winners of the Secret Partner event were Leanne Carmody and Marilyn Pane with 57 points. Di Murphy had the best individual score. Joan's daughter Glenis Johnstone provided and presented the trophies. Thank you Glenis. Unfortunately no photos were taken that day.

(I think Marilyn made sure of that.)

Golf Quip

If you think you can hole a chip shot,
take out the flagstick because
the flagstick never helped a perfect shot.

Next Meeting

of the board will be held on Tuesday, the 18th of October at 7.00 pm and any items you want addressed at that meeting should be sent in writing to the secretary.

Chiltern Bowl Winners

Josie Fitzsimon, Pauline Mercer, Leanne Carmody and Erika Lombard are the proud winners of the Chiltern Bowl at their first attempt. This was also Erika's first participation in an inter-club event. Well done to everyone.

Member Recommendation

Congratulations to the many club volunteers over the past 2 months in building our new outdoor deck area. This will be a wonderful place to celebrate or commiserate our round!

It is only fitting now to ensure that this is kept clean by members. The feeding of our native birds has become popular by some members, only to see them now expect it and to linger around the deck and verandah – dropping their calling cards everywhere - over chairs, tables, floor. Is another volunteer expected to scrub down all the tables and chairs for people to sit? I would suggest that if members wish to feed the birds (e.g., magpies) that it is done on the 5th, 11th, 16th etc. fairways, the one's far away from the club house.

Also please remember that our native birds can become sick if fed old seed or processed foods like bread. It is suggested fruit such as pear, apple, berries, figs, grapes; oats, other bird seed, peanuts in their shell, or perhaps the odd spider, frog, snails, worms, young rabbits, whatever you can fit into your pocket.

Thank you!

Ros

Jubilee Veterans.

September has seen probably the busiest month for the Vets for this year.

Since our NEDVGA tournament in August we have hosted our annual Thurgoona v Jubilee challenge. On Monday 12th September we had 27 Thurgoona members come down to play with 28 members from Jubilee.

Weather wise the day started off with heavy showers and there was some discussion as to whether we should continue but right on cue at 9.30am, the clouds broke and the sun came out for the rest of the day. Although it was a bit damp underfoot the golf was reasonable with 2 of Thurgoona's members showing the field how it was done with 37 points. Ron & Herb had changed the challenge average scoring for the day based on the best 10 scores from each club. Based on this, Jubilee won this year's challenge 340 points to Thurgoona's 310 points. Well done to all for a great day.

At this stage we would like to thank a few people. Firstly Ron Smith, who has organized this event for as long as anyone can remember, has decided to call it a day. Thank you Ron for keeping this going and with our new organizers, Martin Van Rhee & Jim Moore we hope that it will continue well into the future. For all vets the format for next year will change slightly to a 2 day tournament in early April. On Monday, Thurgoona will be coming to Jubilee and the next day Tuesday, our Vets will travel to Thurgoona. Hopefully the weather will be better and a great event can be held.

We also need to thank Gordon, for opening early to allow us to get all the cards ready for a shotgun start, John and Diane for organizing a great meal of fish, chips & salad and also opening the bar and to Fraser and the Jubilee ladies who came out to help cook and serve. It was greatly appreciated by all those who attended and topped off a great day.

On Monday 26th, we had 22 members down to go to Howlong for their NEDVGA tournament, however at the last minute Howlong stopped the use of carts so 8 of our members pulled out. All up they lost 60 players because they could not use carts. Howlong still had just over 100 players on the day. The only Jubilee player to do any good was Chris O'Keefe who won C grade with 38 points. Congratulations Chris.

Next NEDVGA tournament will be at Wodonga on 24th October. It will also be the first round of the NEDVGA championships with the second round at Myrtleford on 21st November. It would be good if we could get as many of our registered NEDVGA members as possible to both these events.

Monday Vets is still on each week and with the improving weather (????) we hope to see our numbers start to go up again. Don't forget 8.00am registration for an 8.30am shotgun start.

Tuesday 6th Annual General Meeting

Snippets from "past minutes of meetings" that remind us of our club's history.

May 1935. A meeting of interested people was convened at the Wangaratta Town Hall where it was voted to form a golf club with a name to be decided at a later date. The course was to be situated in a paddock on property on the Moyhu Road owned by Mr Hoare and was to use the natural grass available as greens. Proposed rental amount for the golf season was 10 pounds. At the first AGM the name "Jubilee" was adopted. The name was suggested by Mrs Amy Fisher as 1935 was the Jubilee Year of King George V.

March 1936. As the JGC was unable to reach agreement with Mr Hoare a motion was made at the AGM that the links be relocated to Mr V. McDonald's property on Yarrowonga Road for 25 pound per year, and that the club would have sand greens. A vote was also taken to affiliate with the VGA and VLGA.

1937. Mr George Moore had the first Hole- in-One on the Jubilee Golf Course.

April 1938. A new clubhouse was erected for 120 pound.

Working Bee~ Nov 13th

Due to the inclement weather and the resulting ground conditions the Working Bee is now scheduled for the 2nd Sunday in November.

Up, up . . . so easy

A tweak here and a tweak there.

There was still time to start the balustrade before knock off time.
