Brian Luxford 11th January 13th Hole

Well done to Brian Luxford who had his first ever hole in one on 11th January, on the 13th hole in the 9 hole competition. He said it only took him 51 years of trying, so don't give up just yet!

Royal Whitfield Trip: Sunday January 8th.

27 members from Jubilee travelled by Fallon's Coach Lines to Royal Whitfield on Sunday 8th January. The cost of the bus hire was donated by Ben Honeychurch (had a bit of a win on a punt with the nags). Mal White kindly drove the bus and had to put up with a rowdy bunch on the return trip. (Which included a 40-minute stopover at the Moyhu Pub).

The boys almost drank the golf club dry. Some big drinkers

Winners on the day were:

Mark Hall (40 pts) Sam Richards & Felix Gamze (39 pts) Pete Evans (36 pts)

A raffle was done on the day for 6 bottles of red kindly donated by Wayne Hibbo.

Over \$400 was raised and it will be passed on to Mick Lugg to help with medical costs for his wife who is ill and not covered by Medicare.

Some golf trivia

- Almost 80% of golfers will never have a handicap under 18.
- The average golfer has a 12,500 to 1 chance of making a hole-in-one
- Golf was one of only two sports played on the moon.
- The longest putt was a mind-blowing 375 feet.

Great day out at the Myrtleford GC. A 2 person Ambrose for all these Jubilee players!

A lovely lunch get-together at the Wang club for the lady golfers.
