Sponsors: are the key to our club's success, look around at their signs as you play, and support them. When you do use one of our sponsors remember to let them know that you are a Jubilee Golf Club member.

PLEASE REPAIR PITCH MARKS AND DIVOTS, THANKYOU.

Vale

Russell (Rusty) French

It is sad to learn of the passing of one of our long time, hardworking members. Russell loved being out on the course both playing and working. He will be sadly missed.

The Great Race

On Saturday 18th March, Darren Jones and Jeff Elliott had a little grudge foot race over 100metres (roughly) on the edge of the 9th fairway. After 15 metres Darren 'did a groin' but still won the race because he hitched a ride in a cart for the last 85 metres.

'It might take
50 years

but it is worth the wait'.

Billy Slade 4th hole 11th March

Billy Slade achieved his first Hole in One on the 4th on Saturday 11th March. It only took 50 years of trying to achieve it.

After more than 50 years Life Member, Ron (Mulga) Smith won his first Monthly Medal on 25th February.

There was nothing more to be said by Billy or Mulga, just a satisfied, contented sign.
Well done to you both.

Next Meeting

of the board will be held on Tuesday, the 18th of April at 7.00 pm and any items you want addressed at that meeting should be sent in writing to the secretary.

Vic 4BBB Final

As you are all aware Jubilee had 3 pairs participating in the Vic 4BBB State final on Monday and Tuesday. So for the men's teams we had Wayne Hibberson and Jaxon Osmotherly on one team and Joshua Ormand and Mark Flack on the other. Day 1, (Monday 20th March) at Moonah Links Golf Course Josh and Mark took out the win with 50 points. Wayne and Jaxon finished with a respectable 36 points. Day 2, (Tuesday 21st March) at Mercure Portsea Resort and Golf Course was a bit more of a challenge for us. Josh and Mark finished with 38 points for the day, a total of 88 points which meant they finished tied 3rd for the finals and Wayne and Jaxon finished Day 2 with 43 points (great round) which saw them finish with a total of 79 points, 13th overall.

Chris Boseley and Michael Cordier also participated in the Final of the Mixed 4BBB at the same courses.

All the players would like to thank those who wished them luck for the finals.

Thank you Megan for taking the photos 😊

How to mark NTP

Please Remember

Never mark the position of your great shot for
Nearest The Pin with a V scratch in the green.

If the NTP marker is going to be close to the front of the hole and will impede another player's ball dropping into the hole, mark your NTP equal distance away but behind the hole.

Jubilee Veterans.

Another month has gone past very quickly with very little to report on. Our numbers seem to have stabilized around the 30 ish mark which is very pleasing. This results in 3 grades on the day. After some discussion with numerous Vets we are going try changing our starting times for winter this year. So as from first week in June we will be having a 9:00am registration for a 9:30am start. There have been quite a few rumblings about the early start in winter so here is your chance to prove that the later starting time will increase numbers by coming along and playing. This will finish in mid-August.

On Monday 27th March 12 members were booked in to go to Benalla with the North East District Veterans. The course was in good condition however the weather didn't co-operate as we had drizzle on and off for most of the day. Note that they had 30 cancellations on Monday morning, whilst this left a reasonable sized field it is a little disappointing as there has to be a lot of shuffling of the draw. For those that are not aware late cancellations from the Friday before the event do not qualify for a refund. Some very good scores were achieved mainly in the B, C & D grade with one 42 however none of these came from Jubilee. Our players to grace the winners circle were Alan White with a 3rd in B grade with a very good score of 38 and Mike Monro with a 3rd in A grade with 36 points.

The next event for NEDVGA is at Wangaratta on 24th April so if you want to play please get your name on the sheet and money in the tin by the 14th April.

We also have the annual Thurgoona/Jubilee challenge on next Monday & Tuesday (the 3rd & 4th of April.) There is a sheet up on the Veterans' board in the clubhouse. If you wish to play I would suggest you get your names on it immediately so the organizers can cater for the lunch on Monday. Cost is \$20.00 at Jubilee and \$25.00 at Thurgoona. This is not a NEDVGA event so all vets from Jubilee can play. Let's get your names on the sheet as the more numbers we have the better the event. I did try and get some photos for this article as last Wednesday when one of our Vets was a little wayward. At one time his ball was found sitting on top of a log about 20cm above the ground and a little later he had one that buried itself in amongst some branches that had been piled up on the ground. He did take his own photos but would not share them with me so if you want to see them ask him next time you run into him.

Until next month keep hitting them long and straight.

Tea and Coffee

The ability to have tea and coffee facilities relies on everyone paying their way for it to be financially viable.

The price is only 50 cent for a bottomless cup. You won't get that anywhere else.

Unless there is more honesty it may be discontinued. This facility must pay for itself.

Hire Carts

Please drive Jubilee GC hire carts on the fairways only and at walking pace.

Our rough is too rough so please look after them.

Social Golfers

All players must Register in the Pro Shop even if it is a social round.

No one should just walk past the Pro Shop and onto the tee. It is a common courtesy and it is needed so that the people managing the Pro Shop can in turn manage the groups on the course so no one is inconvenienced by multiple groups of 4 in front or the possibility of slow play.
