Vale Brendan Phillips

It is with great sadness that we remember the passing of our fellow member Brendan Phillips. Brendan was a casual golfer, eager to hit the greens at first light when time permitted. Despite his casual approach to the game, he never failed to bring his positive energy to every round. His infectious enthusiasm and friendly nature made him a joy to play with, and we will miss his presence on the course. We extend our heartfelt condolences to his family and loved ones during this difficult time.

I started playing golf at Jubilee when I was 14. I've been lucky enough to have represented Jubilee in 5 pennant finals for 5 wins. My favourite hole at Jubilee is a tie between the 11th and the 15th, and I have a love/hate relationship with the 14th. My best score at Jubilee is 66 which I have done twice. I have been to 2 Majors, 2016 US Masters and the 2022 Open at St Andrews. My favourite courses are The Old Course at The National and Royal County Down in Ireland. I had my first competition hole in one 2 months ago, after playing golf for nearly 40 years, on the 5th on the Moonah course at The National.

Golf Quip

Golf is in part, a game; but only in part. It is also in part, a religion, a fever, a vice, a mirage, a frenzy, a fear, an abscess,, a joy, a thrill, a pest, a disease, an uplift, a brooding, a melancholy, a dream of yesterday, and a hope for tomorrow.

Jubilee Veterans.

Here we are almost at the end of April, putting another month this year almost behind us.

Again we have had a fairly quiet month. Numbers at the Vets competition on Monday have dropped slightly to around 25. This appears to be a result of a number of regulars taking short holidays or breaks prior to their big trips up North in the next few months. The lovely autumn days we have had lately are a big improvement in the weather, so hopefully numbers may start to increase again.

North East Districts Veterans this month was held at Wangaratta. The fairways were in great condition and the greens, although they had been cored and sanded last week were not too bad. Those playing in the morning said they appeared slow but as an afternoon golfer we can attest that most were very quick. We had 12 players attend with only two having any success.

Ric Chivers came 2nd in B grade plus he won the raffle and Ian Mills came 4th in B grade and also was part of the winning team's event.

Congratulations to both of those players.

NEDVGA competition this month is at Corowa on 29th May, not Yarrawonga as listed on the annual Calendar. Entry sheet is up in the club rooms and name and money must be in by 19th May. We ask all members of the NEDVGA to consider coming.

In years gone by our club was one of the biggest by way of competitors each month with between 24 to 30 going. This year however numbers have been well down. Most events are good fun where you can meet new and interesting like-minded golfers so please consider putting your name down to come. Reminder also that the regular Vets will be changing their times in June, July and August to 9:00am registration for a 9:30am hit off. This will be starting the first Monday in June so please mark your calendar now so you don't forget.

Hope you all have a good May and your golf continues to be enjoyable.
