Thank you to the sponsor of our Jubilee GC Championships: **De Bortoli ~ Rutherglen Estate**

Vale Alan Bell

Alan has been an absolute stalwart and valued member of JGC for many years. He loved his golf but more so the club and his mates. He will be sadly missed by all, but especially the Wednesday 9 hole crew.

Our condolences to all the BELL family.

From the President

To all our members, sponsors and friends.
Course Etiquette and Respect for each other

It is unfortunate that I am writing to you all on a subject that shouldn't need to be discussed.

The Jubilee Golf Club's Code of Conduct is very specific in its writings and it applies to everyone in the club. If you are not familiar with the code of conduct, please obtain a copy and familiarize yourself with it.

A couple of points from the Code of Conduct.

1. The code applies to all members, guests and employees
2. Jubilee Golf Club members are expected to act as ambassadors
3. Bad language is not be used against anyone, at any time.

When we venture to the golf club we expect to be treated as responsible people. We don't want to be abused or be treated unreasonably. I know that the game of golf can be frustrating at times, however keep your abuse to yourself.

Failure to comply with the Code of Conduct may mean exclusion from any representation, suspension or cancellation of membership, with no refunds.

Fraser Jeffrey
President

Guide to Golf Etiquette

Give warning of wayward shots.

Everyone hits a wayward shot from time to time. When you do, it's important to give other players the heads up. Yelling "Fore" is how you do this. This also applies if you are playing on a course with houses or that crosses public areas; the warning is for everyone – not just for those on the course.

Greens Report

It has been noted that several club members have approached Greens Staff regarding course conditions etc. This should not happen, especially on their days off and the weekends. All comments must be addressed to Steve Fisher (the Chairman of the greens Committee) or to a Board Member for discussion.

Quote of the Day~
"Take the pin placement on as a challenge"

Would you like to help out at the club?
Do you have some spare time?

More Volunteers are needed on a Thursday.

Golf Quip

Round: Why is a game of golf called a 'round'?
Because courses are traditionally laid out in a loose circular pattern, bringing players at the last hole back to where they started.

A Typical Day

During a recent physical examination, an elderly man's doctor asked him about his physical activity level.

Jim described a typical day.

"Well, yesterday afternoon, I took a five-hour walk through some pretty rough terrain.

"I waded along the edge of a lake. I pushed my way through brambles.

"I got sand in my shoes and my eyes. I narrowly avoided standing on a snake.

"I climbed several rocky hills. I had to stop several times to relieve myself behind some big trees.

"The mental stress of it all left me shattered. In the end, I drank eight beers."

Inspired by the story, the doctor said,

"You must be one heck of an outdoorsman!"

"No," Jim replied.

"I'm just a really bad golfer."

Two new JGC Board Members

Eric Smith

‘My name is Eric Smith. I have been playing golf for many years now, with limited success. Despite this, I still love the game. I am a strong believer in supporting the club that I belong to and have always been happy to help out if I can.

I spent 2 years on the match committee at Cobram Barooga Golf Club back in the 90’s. More recently I was a board member of Darwin Golf Club for 2 years before moving back to Victoria. I am really looking forward to putting time into Jubilee. I want to thank all the members I have met, you have all made Libby and I feel welcome.

Noel Holmes 4th 15th May

Obviously having a 14½ sleep in his ute last year so he could dodge a day of golf did not stop him. He has a lot of golf left in him after Monday's achievement in the Vets competition. Noel was more excited about getting 5 stableford points on the 4th hole than achieving his first hole in one.

Leeanne Carmody 13th 27th May

After a dodgy practice swing I hit an amazing shot that bounced just before the green and finished at the back of the 13th hole. I thought I must have missed a hole in one by an inch, but a few minutes later 7 players on the tee couldn't see the ball ... no crows ... No ball could be seen on the green through range finders ... when I walked up to the hole, my ball was there ... It was a hole in one!
