Greg (Smokey) Hogan

It is with sadness we mark the passing of Greg (Smokey) Hogan this week. He has been a regular golfer since the 80s achieving many accolades. He was very proud of playing to (or under) his age 6 times. Volunteering at the club was part of his weekly activities for decades. At the AGM in 2022 Smokey was awarded a Life Membership. His friendly face will be sadly missed.

Guide to Golf Etiquette

Keep your shadow off someone's putting line.

This is a simple thing beginners often don't think of, that can be very irritating when you are trying to take a shot. When someone is putting, it can be distracting if you're moving your shadow around in their line, or over the hole, even if they cannot see you directly.

Greens Report

Thank you to all golfers for doing their best to look after the course, particularly the players using carts avoiding the 'damp' areas. Keep up the good work.

Next Meeting

of the board will be held on Tuesday, the 15th of August at 7.00 pm and any items you want addressed at that meeting should be sent in writing to the secretary.

July 24th Michael Baillie 4th hole

It seems Michael has got the taste for achieving a hole in one. It took Michael 52 years to get his first hole in one on the 8th February this year and now 5 months later he has achieved his second. Same club. Same hole. Well done Michael

- 1st July Zac Guilfoyle (9th)
- 2nd July Shane Andrewartha (3rd)
- 8th July Dylan Pool (9th)

Golf Quip

You don't come to Augusta to find your game. You come here because you have got one.
- Gene Sarazen, on the Masters

Lost

Can everyone please keep a look out for an earring as shown above? It is approximately the size as shown i.e. 2.5 cm across. If you find it please hand it in at the Proshop. Thanks

A mind of its own

Charl's golf buggy was ready for its duty at Jubilee on Tuesday 25th July. However its patience started to wear thin as Charl was trying on new golf shoes in the Pro shop, so decided to take matters into its own hands (wheels). Off it went, from the Pro shop to the practice nets, up around the men's 10th tee, across the 10th fairway and into the car park ready to go home. A rather subdued buggy can be seen with Charl fully back in control, heading to the 1st tee.

Condolences

The Jubilee Golf Club wishes to offer our condolences to Sam McIntosh, one of our Thursday junior coaching clinic participants as well as his Mum Karen and sister Emily on the passing of his Dad, Hayden.

Doubles Knock Out

Tam Godfrey and Helene Gallo were quite pleased with their golf over the three rounds of the Ladies' Doubles Knock Out. Helene's comment: 'As we all know anything can happen to your great form at any time'.

Jubilee Veterans.

Here we are getting towards the end of July and it is still cold and wet underfoot at the club.

Numbers on Monday have been a bit disappointing at just under 20 each week. At least we are still getting some golf in as there have been several clubs in the North East either closed or have restrictions in place so from that point we are still lucky and we have quite a few members enjoying warm if not wet conditions up north.

On a brighter note, Martyn Van Rhee has put up his hand to take over as the Captain of the Veterans to replace Keith. Having done a great job with our Thurgoona / Jubilee challenge I am sure he will do a great job. We wish him all the best and ask that if you can give him a hand when he requires it.

Only seven players ventured to Bright for a special NEDVGA event this month but our only result was a nearest the pin to Jim Moore on the sixth.

Next NEDVGA tournament is at Jubilee on the 28/8/23. Entry sheet will go up sometime this week so get your name and money in if you want to play. Hopefully it will be a shotgun start however if we get a large number of entries we will revert to an early/late start.

Good luck to all and good golf until next month.

2023-2024 Fees

Only Golfers will Understand.

Don't buy a putter until you've had a chance to throw it.

Never try to keep more than 300 separate thoughts in your mind during your swing.

When your shot has to carry over a water hazard, you can either use one more club or two more balls.

If you're afraid a full shot might reach the green while the foursome ahead of you is still putting out, you have two options: you can immediately shank a lay-up or you can wait until the green is clear and top a ball halfway there.

The less skilled the player, the more likely he is to share his ideas about the golf swing.

Thanks Chris

Victorian Country Women's Championships

8am tee off this morning hence the layers and layers!

Kellie Roberts, Leanne Carmody, Alison Comensoli and Judy Fogarty recently represented Jubilee at the Victorian Country Women's Championships at Tocumwal. Whilst we had no wins we all had lots of fun, enjoyed playing both courses and meeting lots of other regional lady golfers.

Rule of the Month

DIAGRAM 16.1c: RELIEF FROM ABNORMAL COURSE CONDITION IN BUNKER

The diagram assumes a right-handed player. When there is interference from an abnormal course condition in a bunker, free relief may be taken in the bunker under Rule 16.1b or relief may be taken outside the bunker for one penalty stroke. Relief outside the bunker is based on a reference line going straight back from the hole through the spot of the original ball in the bunker. The reference point is a point on the course outside the bunker chosen by the player that is on the reference line and is farther from the hole than the original spot (with no limit on how far back on the line). The relief area is one club-length from the reference point, is not nearer to the hole than the reference point, but may be in any area of the course. In choosing this reference point, the player should indicate the point by using an object (such as a tee).

You are all probably aware of the dangers of entering a bunker. Please read Rule 16.1c to be aware of your options in the situation when you encounter abnormal course condition in the bunker.

For a left handed player, reverse the diagram on the left

When the bunkers are out of play
i.e. bunkers are damaged or are flooded after a storm which can happen in the sunny North East and have been deemed to be GUR

The nearest point of complete relief from where the ball lies. (No nearer the hole)
