September 2023

Sponsors: are the key to our club's success, look around at their signs as you play, and support them. When you do use one of our sponsors remember to let them know that you are a Jubilee Golf Club member.

**Carts and Buggies should not be driven over tees and greens.
In fact: carts should be kept well away from greens.**

Congratulations to the 2023 Medal of Medals Winners

Gordon Paterson

Congratulations to Gordon who has won back to back Medals

Di Murphy

Congratulations to Di who has now won an even half dozen Medals.

Due to a clash with other North East District Golf Association events on Sunday 22nd October, the 3 Person Ambrose sponsored by Fraser Jeffrey Finance has been postponed.

Guide to Golf Etiquette

If you are ready to go, play your shot.

There's the honour system and then there's ready golf. The rules dictate that the player farthest from the hole plays first but this can really slow down the pace, especially over a friendly 9 holes on the weekend. Instead ready golf is simply being ready to take a shot when it is your turn. This means being prepared, having your clubs ready and not having three practice swings at the ball.

Thank a Green Keeper Day

Wherever you play golf, the game is only made possible and enjoyable due to the hardworking professionals who maintain our beloved courses. All golfers should be grateful for the efforts of greenkeepers every day, but **BIGGA** (British & International Golf Greenkeepers Association) is once again hosting a specific date for everyone to participate in **Thank A Greenkeeper Day**. This year's occasion took place on Tuesday 12 September. Thank A Greenkeeper Day happens just once a year, but it takes a year-round effort to keep golf courses playable and in top notch condition. So don't be afraid to say thanks to your greenkeepers at any time.

Coring of the Greens Help Wanted

Tuesday October 24th is the day for the Coring of the Greens. If members are available to help on that day it would be greatly appreciated.

Juniors

Congratulations to all the kids who played in the junior tournament today, saw some unbelievably great golf shots, highlights were a couple of 2s, one of which was very very close to a 1, well done Baxter. We were blessed to have a typical North East ripper of a spring day, Credit to Simon and Matt and all the volunteers on having the course in exceptional condition, best it's been for some time. Huge thanks to Bill for running the BBQ, Mick, Andy and the parents and grandparents for giving up their time to help the kids get around the course and do the scoring. Well done kids, we have some real stars in the group. Regular Thursday junior clinics and competitions start up again next Thursday, starting time will be 4:30 now, giving the kids a little more time to get to the course after school.

Congratulations Liane

Back in May Liane Graham won Jubilee Golf Club's Best Pennant Player Award. To top that achievement she was announced as the NE Best Pennant Player at the NEDGA Championship Dinner at Benalla.

Liane was presented with the award by the NEDGA Linda Terry at Chiltern in September.

Joan Rosser Day

The ladies had an enjoyable day celebrating Joan Rosser Day. Joan was a Life Member of Jubilee GC and kept the social life at the club in high gear as well as taking on official roles. The event was secret partners stableford. The winners' prizes were presented by Joan's daughter, Glenis Johnstone to Vicki Moorhead and Josie Fitzsimons.

Veterans Report

Jubilee Vets numbers are slowly improving along with the weather and the course is in really great condition. Last Monday 12 players attended Howlong NE Vets day with Jackie O'Brien the only person to bring home a prize.

At the September board meeting the Vets presented a check for \$7,000.00 and a request that this money to go towards the refurbishment of the toilets in the clubhouse.

The next North East Vets event is at Wodonga on the 30th October; in the meantime we hope to see an increase in numbers at our Monday events.

Community Raffle

This year the tickets for the community raffle have increased in price from \$30 a book to \$50 a book, from the \$5 per ticket the club will receive \$3. Last year we sold over 300 books but it is always a lot of work for those trying to collect these books from members either sold or unsold so we have decided to only get 200 books this year, this will give us a fundraising amount of \$6000 if all books are sold. As the Vets have asked for their donation to be put towards the upgrade of the toilets, money raised from the raffle will also be added to the toilet upgrade fund. All members are asked to enthusiastically sell as many tickets as they can. This will give us at least \$13,000 to go towards the necessary improvements.

Only Golfers will Understand.

Counting on your opponent to inform you when he breaks a rule is like expecting him to make fun of his own haircut.

Nonchalant putts count the same as chalant putts

It's not a gimme if you're still away.

The shortest distance between any two points on a golf course is a straight line that passes directly through the centre of a very large tree.

You can hit a two acre fairway 10% of the time and a two inch branch 90% of the time.

NE Championships at Benalla

NEDGA Women's Championships were held at Benalla on 5 – 7th September.

The NE Foursomes held on Monday 5th was a great fun day, but without any success for Leeanne, Di or Val.

On Tuesday Leeanne is doing well and won a ball with good nett score, only 2 behind the winner.

Val had one good shot for the day and won the B Grade NTP on the 13th. (If you're wondering what Smelly Balls are, it is a reusable air freshener).

Although the course had been extremely wet it had dried out a lot and been very good, even with a fair bit of run.
