Ashley Neave Retirement

Ashley announced his retirement earlier this month and you will all have had an opportunity to read his letter to the members. The Board are currently in discussions with the PGA regarding the position of a Resident Golf Professional. Ash will officially finish at the end of January 2024 but will continue to assist us going forward. We wish Ash all the best in his future endeavours.

The Ladies pulled together a light lunch at the earliest opportunity to thank Ashley for all his support and expertise over the last 30 years at Jubilee. Good luck and best wishes for the next chapter of your life Ash. XOXO

If you have a CREDIT with ASHLEY in the PROSHOP: e.g. a credit in the Proshop or Wednesday night vouchers you need to redeem your credit before February 1st. Preferably: ASAP
The sooner you do, the wider your choice will be.

Guide to Golf Etiquette

Course staff have right of way at all times

Golfers MUST WAIT AND GIVE WAY to Ground Staff, mowers or maintenance vehicles to pass, or be safely out of range, before playing a stroke unless they have acknowledged you and called you up. If a green is being worked on and the flagstick is not in the hole, players are not to hit to the green until it is replaced. Remember, this is the workplace of our Ground Staff and all employees should be shown respect.

On Dec 10th, 7 hardy Jubilee members braved the heat to complete 72 holes in a single (LONG) day. Frances Duffy, Judy Fogarty, Leeanne Carmody, Andy Senkic, Mal White, Gordon Hines and Glen Hunt, started at 5.30am, finishing 4 rounds by 4.30pm. Together they have raised over \$3000 and still counting. The link is still open if you haven't contributed yet and wish to do so.

Well done you lot!

From left to right Judy, Andy, Mal, Leeanne, Gordon, Glen and Frances

The team thank Hibbo, Kellie, Mary and Russell who kindly donated the use of their carts.

Thanks also to those supporters who came out and cheered the team on; it helped them through the final stages. Marilyn, Fraser and Carolyn and Val for her watermelon treats.

Thanks to Ash and Gordon in the shop and all those who took part in the secret 5 holes the previous day which contributed to the donations.

Thank you to everyone who has donated to this very worthwhile cause that touches so many. The council don't receive government funding so this day is very important to them. See you again next year.

Having sunk the final putt on the 72nd green.

The way I putted I must have been reading the greens in Spanish and putting them in English

Jubilee Veterans

This is the last report from the veterans for 2023 as Christmas is now only days away.

The North East District Veterans had our last event on Monday 11/12/23 here at Jubilee. As we have in the past it was organized as a fun event in the form of a two person Ambrose. We initially had 66 teams giving us 112 entries and on the day had 110 turn up so a great response which enabled us to hold a shotgun start. An hour prior to hit-off a thunder and lightning show went over, however no rain and it had vanished in time to play.

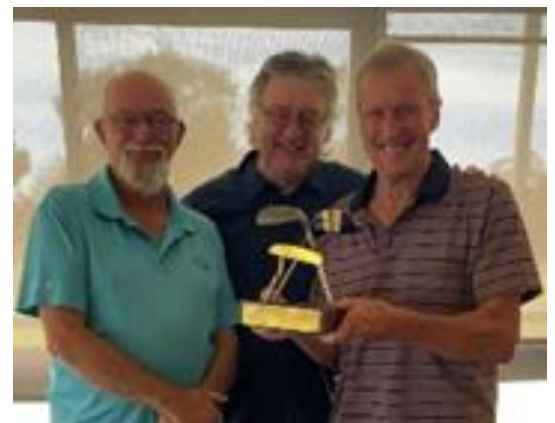

The clubhouse was full as everyone awaited presentations. We sourced some great prizes from our club's sponsor Londrigan Finer Foods being hams and chickens which were paid down to 15th place with a further 12 teams winning a ball each. Our congratulations to all winners. It was interesting to note that nearly all the visitors had a lot of praise for the condition of the course and again more thanks to both Simon and Matt for setting it up for the day.

I am only going to mention first place winners Paul Norris & Robert Dundas who had a very creditable net score of 60.25, five shots clear of second place. There were a lot of helpers to get this event organized and run on the day and without naming them individually we would like to extend our grateful thanks once again. A special mention to Gordon in the pro shop who spent a lot of time getting the system and the cards right and organizing the results. Next year events kick off in Mansfield at the end of January and if you want to go away to these you must either renew your membership or join before the end of December.

Monday 18th Dec was the final day of Jubilee Vets and our captain Martin, along with Ian, organised a three person Ambrose followed by a small meal afterwards. We had 38 players turn up to played and about 34 stayed for lunch. The weather was glorious and golf was good. Thanks to Pat Ernst who made the trophy and the photo here shows inaugural winners. Many thanks go to Martin & Ian for organising the day and the draw. Also, thanks to those who came out to cook and the ladies who volunteered to help prepare the meals and serve them up.

Vets has now finished for the year and next official event is Monday 8/1/2024. Again, on behalf of all the organizers of the Vets, we wish everyone at the club a very Merry Christmas and a happy and safe New Year.

Oaks Day Update

As reported in the November edition, money raised at the Oaks Day function was donated to the NE Health Breast and Gynaecological Service by the committee. A cheque for \$861 was presented by Joy, Liane and Lyn on behalf of the Committee to Sam Cooper (middle) and Erin Primmer (on her right).

NE Bushrangers Pennant

Unfortunately the team weren't able to pull off a final victory this season to make it 3 in a row. Tied after 2 games, the 3rd was square on the 18th so had to go to a sudden death play-off and Myrtleford played a super hole to win.

Congratulations to Myrtleford but well done to our girls too. Ros and Liane took them to the 18th, Jackie and Val won 4 /2 and Frances and Vicki had to play the 19th.

Robyn O, Lee and Chris also played their role throughout the season to get us into the final.

JGC Membership cards and receipts

If you haven't already done so, please collect your JGC Membership cards and receipts from the clubhouse before we are forced to publish a shame file here next month. 😊

Jubilee Juniors

We are very proud of both Trinity Mulder and Sam Lewis who made it through to the School Sports Victoria Golf State Finals held earlier this month. Unfortunately, the event had to be abandoned due to storms after nine holes so the organisers had a tricky decision to make and announced medal winners off a shot gun start system. This didn't work in favour of our members but none the less, there will be plenty more opportunities ahead for these talented youngsters. The last session of Juniors Coaching for 2023 has come and gone. Thanks go to the Coaching team and especially to Ash. A great effort by all the Juniors. See you all next year beginning Thursday 1st February 4.45 for 5.00pm **SAVE THE DATE.** Have a great Christmas.

Ladies Xmas Luncheon

Over 20 women enjoyed lunch at the Town and Country Tavern on Monday 4th Dec.

Latest Upgrade

The new tables on the verandah are fabulous. Thanks Wayne for all your efforts. Pictured enjoying the look and feel of them are relatively new members Marion and Gavin Braybrook (foreground) sitting with Frances Duffy and Mary Jones. In the background are some other familiar faces after the Monthly Medal on Sat 16th Dec.

If you are still reading then you deserve this one

Only Golfers will Understand

You're playing for the Club Championship. After 17 holes you and your opponent are dead even. You have the honour off the 18th tee. You hit your drive way down the middle of the fairway. Your opponent goes straight right into the trees. You help them look for the ball for almost the total 3 mins allowed. Finally, they say, "Why don't you go back and hit your second shot. I'll look for my ball for one more minute and if I don't find it, I'll go back and tee up again".

You go out to the fairway and hit your second shot. Its perfect, lands about 5m from the pin. Just as your ball hits the green from out of the trees you hear, "Found it!" The ball comes flying out of the rough and drops about 10cm from the pin for a certain gimme.

Here's the thing. Do you take the cheating b____d's ball out of your pocket and confront them with it, or do you just keep your mouth shut?

Wishing all our members a Merry Christmas and a safe and happy New Year
