Liking the View from the Yellow Tees, Boy's?

Our Vets teed off from the yellow tees for the first time this month and it sure made a difference on the 10th as we'd all appreciate. And then there was the 11th....

Next Meeting

of the board will be held on Tuesday, the 20th of Aug at 7.00 pm and any items you want addressed at that meeting should be sent in writing to the secretary.

Mixed round Robin Series

This series is played over 3 rounds, each of a different format: a 4BBB, 2 person Ambrose & finally a Pinehurst. To make it more interesting still, you must play with a different partner in each round. Winners of each round score 5pts down to 5th place who score 1 point.

The series wound up at the very end of last month. Mary was an outright winner on 9 points and Wayne won with 10 pts on countback from Wayne Roberts.

Combined 'Christmas In July' and Presentation Night

Santa was back for Christmas in July again at Jubilee Golf Club on July 6th. About 35 people attended and enjoyed another beautiful meal of roast meats and veggies, followed by some lovely plum pubbing, cream and ice cream and finished with a lovely Bailey's Tawny Port. With the fire burning in the cosy Spike Bar, an entertaining night was enjoyed by everyone who attended. Thanks go to our chefs John Russo, Fraser and Carolyn. Thanks also to Di, Johnno and Glen for working the bar.

The Club Champions from all grades were presented to those that could attend. The relaxed atmosphere provided a great opportunity to catch up with those that worked so hard to take out a championship.

For those of us not quite able to win, Mrs Claus turned up with presents for everyone. Next year I don't think she will be bringing noisy gifts for some of the big kids in the audience. In the meantime, I am sure we will all be good little golfers; no throwing clubs or swearing at missed putts, and earn another visit next year.

(Thanks to Val Ellis for the contribution of this article and most photos.)

Jubilee Veterans

July is behind us and Vets has been very quiet with numbers well down. This is mostly due to the cold and sometimes damp conditions we have been having which has made the course play fairly hard. We experimented early in the month with playing off the yellow markers now that the course has been re rated. Most players were surprised that they lost up to 6 shots off their handicaps. It definitely made playing the course different and course management had to come into play.

Although most seemed to have enjoyed it as something different, it is not something that will be done weekly and will be mostly used as a novelty event.

Congratulations to Keith Moorhead for his great eagle on the 14th hole. An eagle is a rare achievement in the Vets, in fact I believe this is the first one in a Vets event in more than 8 years. So again, well done Keith.

The NEDVGA event for July was taken up and run by Wangaratta. They held a stableford event with a 10:45am shotgun start. Good timing as it was a cold and frosty morning but the sun was shining with virtually no wind by the time we got started. Good scores should have been achieved, however this was not to be the case. There were only two players exceeding 36 and Paul McInerney was our only place getter, winning B grade with 34 points. The next event is at Corowa Golf Club on Monday 26th August. Note that this event is also the first round of the NEDVGA Championships with the second round on 30th September at Howlong. Let's see if we can get most of our NEDVGA members to go along and try for the championship. Good luck over the next month and hopefully the weather will start to get warmer. See you all on the course.

Guide to Golf Etiquette

Keep your temper under control

Nobody likes having a bad day on the course but, sometimes, it's inevitable, and losing your temper whenever you play a bad shot isn't going to improve your game – or your handicap. Throwing your clubs, swearing and sulking only serve to make sure nobody else enjoys the round. If you're frustrated with your game; stop, take a deep breath and shake it off. Laughing at yourself can actually make the general experience more enjoyable for everyone. It can really be quite therapeutic after that untimely shank or missed putt to have a chuckle to yourself and move on.
