Festival of Joy

This continued throughout the month and I'm not sure if its over yet. Meanwhile, I've been told a number of our other active members are also celebrating the same occasion.

Bruna McDonald is one of them and I also note she had a win early this month. Well done you!. A number of her golfing buddies joined her at King River Cafe for a delightful lunch. Our best wishes to you Bruna. If you know someone else who joins these Octogenarians be sure to let the JJs compiler know.

And now to Golfing News..... It has certainly been a full month of golf. Congratulations to all the recent winners and aren't we enjoying better weather conditions and a course in fantastic shape.

Fathers Day

The month kicked off with Father's Day and it was great to see some young dads being thoroughly spoilt with a leave pass to play.

The Kerl Cup

On Sun 8th Sept the 3 person 9 hole Ambrose Kerl Cup was held in beautiful weather. Twenty-two teams had a great day with fun for all.

A lovely chicken lunch followed the morning's golf before the serious side of the day started. Thanks to everyone who helped prepare and present the meal, worked to clean up afterwards and those who operated the bar.

The KERL CUP TRIVIA afternoon only confirmed what we already knew, most of us don't know a lot.....
It was great to see over 80 people showing their support. Thanks to everyone who participated

and those who worked hard to ensure a successful day.

The NEDGA Junior Challenge

This is a 3-stage event for boys and girls at club, Local District and North East District Levels with great prizes at each stage. Jubilee held our NEDGA Junior event on Saturday 21st with 7 competitors - Nicholas Brain, Cooper Howse, Ethan Renshaw, Trinity Mulder, Harry O'Brien, Jack Dean and Hamish Lewis.

The top 5 players with the most Stableford points now go through to the Local District round; venue and day in October to be advised shortly. They were:

Hamish Lewis (age 17) played 18 holes and will compete in the Rookies Section (15-18 year olds)

Harry O'Brien, & Jack Dean (both 12) played 9 holes and will compete in the Tweens (12-14 age group)

Trinity Mulder (aged 10) played the 9 holes and has opted to be included in the 12-14 section as well

Nicholas Brain (aged 10) played 6 holes and will compete in the Midgets (8-11 year old) section

The Final stage will be held in conjunction with Junior Championships 24th Nov.

Our club are very impressed with our juniors for giving it a go and with their parents for encouraging them to continue with their golf. With our Thursday nights clinics starting back at 5pm after the school holidays (10/10/24) we will have a great junior squad at Jubilee.

These kids are our golf club's future so let's all get behind them.

JGC Membership Cards

After much discussion the JGC Board has decided that there will be no Membership Cards this year. There are multiple reasons for this decision.

- Members have never had to produce them
- The Golfink Card shows the name of your Home Club.
- If a Member leaves the club the Golfink Card is deactivated so cannot be used.
- Every year at least a third of the cards are never picked up.

If you do need your Membership Card and/or your receipt please contact Joy.

Jubilee Veterans

September has already passed us by and October with daylight savings, and we hope warmer weather, is on the way. Numbers at Monday Vets are still fairly static at around 25 to 30 each week. Hopefully this will increase in the coming weeks. NEDVGA was this month held at Howlong. We had 20 members nominate to play on the day. The weather was fantastic and the course was very well presented. They had a field of 177 players on the day and although play seemed to be slow, we finished in around 4hrs 30min. which was very acceptable. Although the course was in great condition and the weather great only 6 players out of the whole field had 36 points or better with the best score from C grade with 39.

Peter Ford managed 5th in B Grade, Paul McInerney 3rd in D grade, Roger Henderson 4th in D grade and Alex Jones a nearest the pin. These were the only Jubilee players to feature in the results.

Howlong was also the second round of the NEDVGA championships. A huge congratulations to Peter Ford who won B grade with a total of 69 over two rounds and also to Graham Ulbrick who managed sixth in C grade with a total of 65.

Next event is on October 28th at Wodonga. Nominations sheet is up on the board so get your entries in early along with your money in the tin. See you all on the course and make sure that with the warmer weather coming you use plenty of hydration and sun screen.

We will also be asking for contributions for a local gourmet produce basket raffle— chip in with some others to purchase some great local stuff!

A number of our own Ladies make regular efforts to support other club events in the region. This helps to maintain our strong positive reputation as a valuable club in the North East. These women have been racking up the trophies, prizes and raffles recently too.

Guide to Golf Etiquette

Temporary Local Rules

Be sure to always consult the noticeboard outside the Pro Shop for Temporary Local Rules for situations which occur and are temporarily present on the golf course such as: –

- Ground Under Repair
- Areas of Course Maintenance Works
- Fallen Trees
- Burst Pipe
- Damage to the Course
- Wheel Marks made by Course Equipment
- Aeration Holes
- Embedded Ball Through the Green
- Preferred Lies or Tee-Up due to extremely wet/muddy conditions
- Temporary Obstructions

Golf Quip

Its amazing how a golfer who never helps out around the house will replace his divots, repair his ball marks and rake his sand traps.

And that is a wonderful segue into my announcement that this is my last effort as a compiler of Jubilee Jottings. It is time for a new member to put up their hand and I think it might be about time we had one of the Men consider it. I worry the content is sometimes 'Ladies Loaded' but that has been a reflection of my playing partners rather than any favouritism. Of course it doesn't have to be one of the Men, any Member interested will be considered. Contact Joy if you would like to take over the reins, there are loads of handover help on hand for you. Thank you to everyone who has contributed pieces over the last 12 months.
